

Brace yourselves! Class expectations are coming.

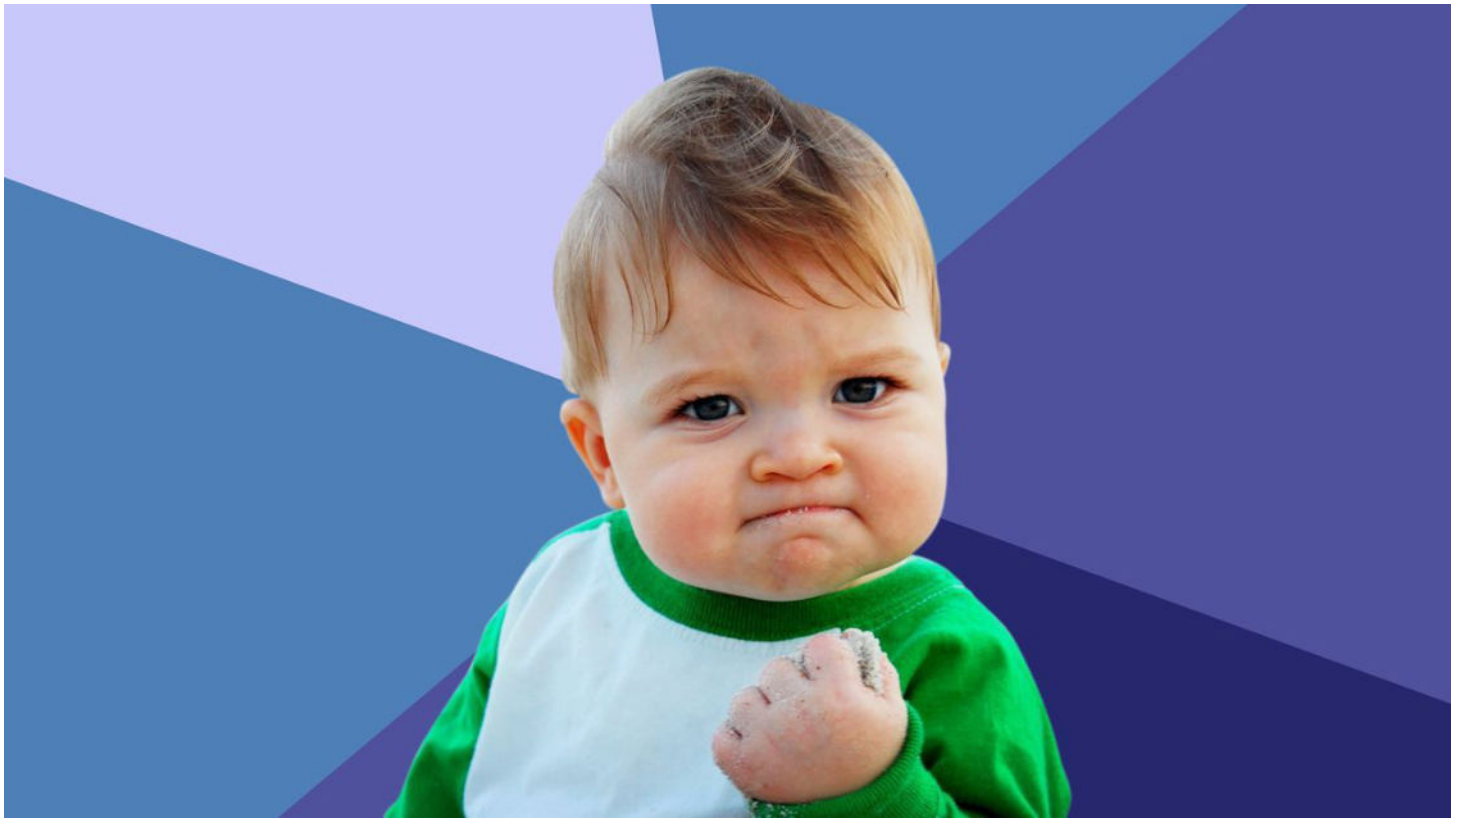

When you talk while I'm talking...

When I just gave directions and you ask me what to do...

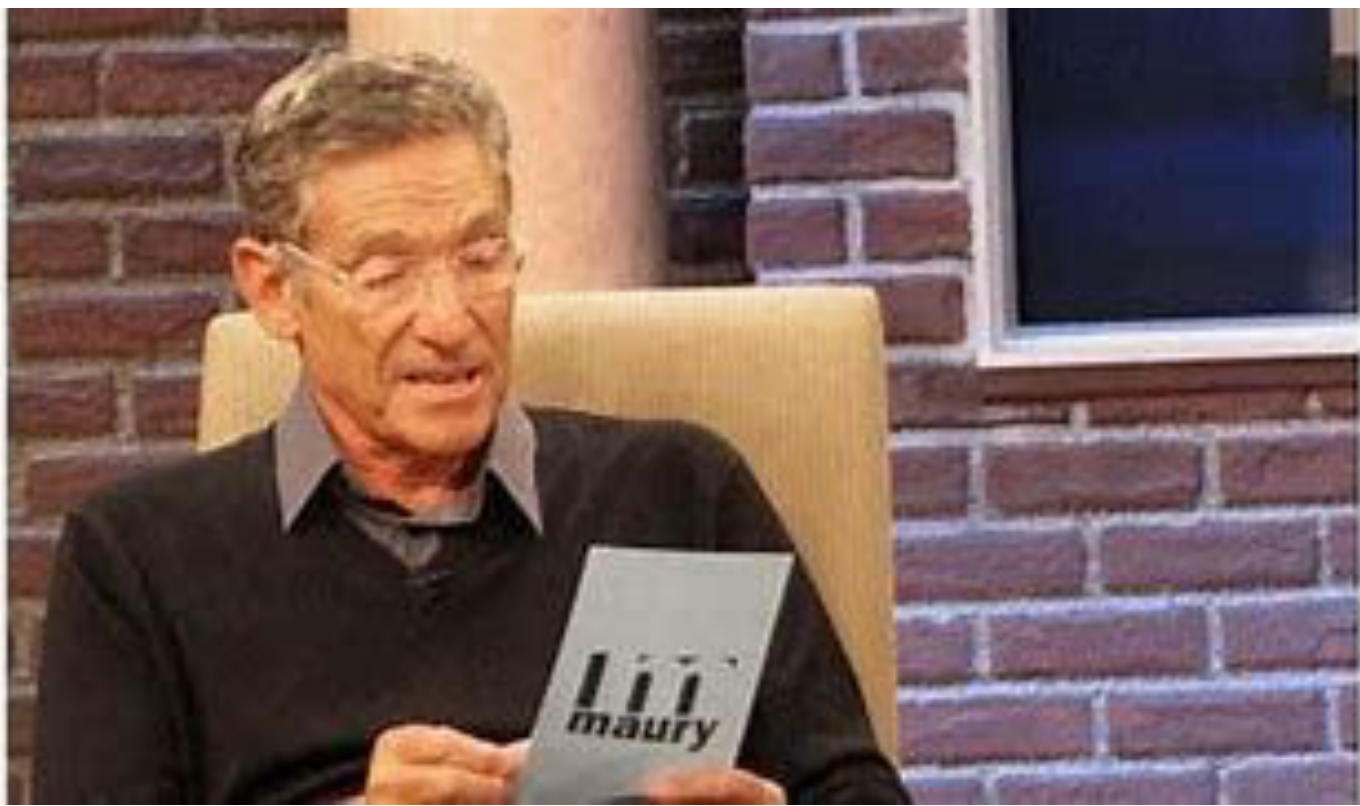

You have no paper, pencil, or book with you?

Finished my work in class; didn't have to take it home!

Oh you want extra credit?
How about doing the regular credit first?

You said you would bring in your late work today.
Your empty hands show that was a lie.

Clean up after yourself...Gosh!!!

When I see you on your cell phone...

You said we earned special privileges.

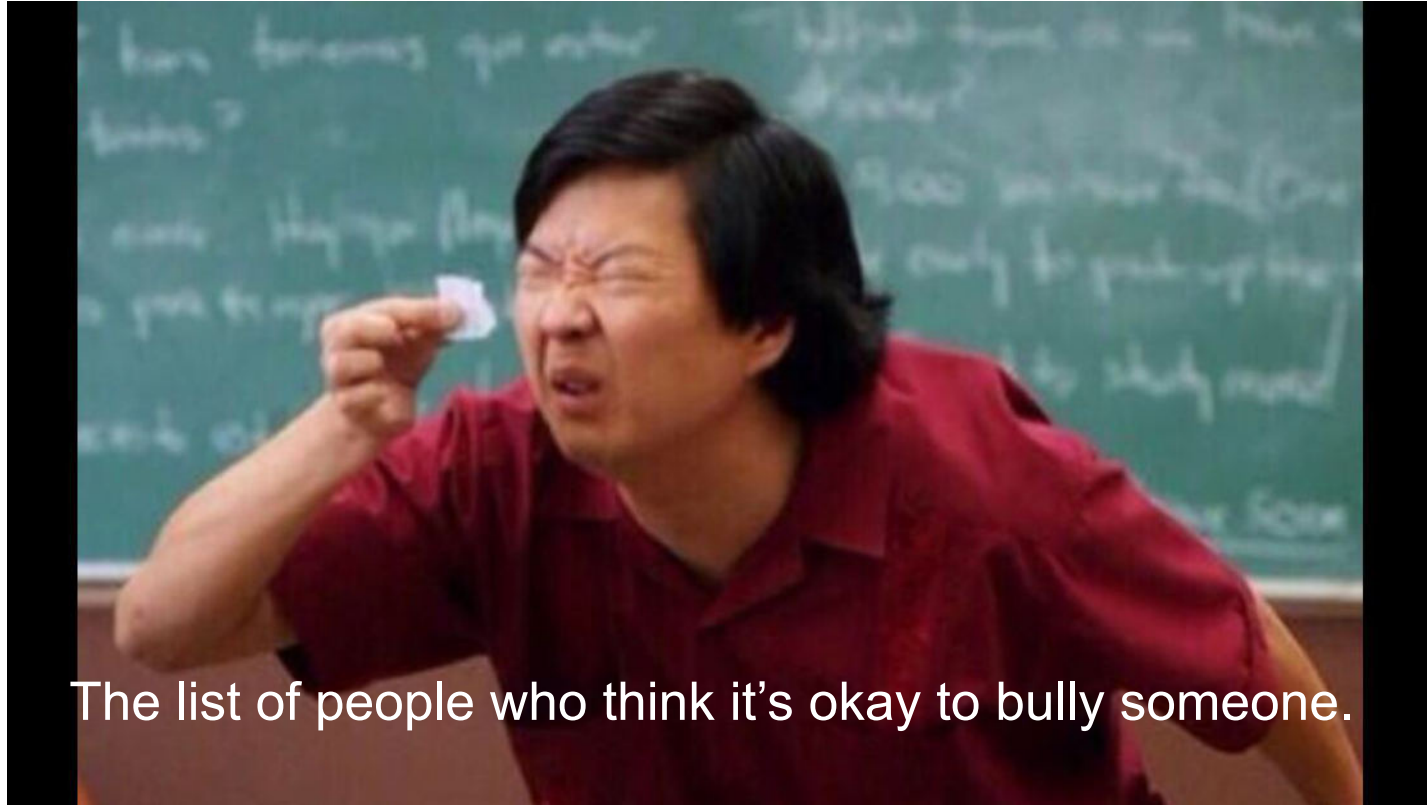

Abuse it and lose it.

I love participating!!! Participating is my favorite!

My one non-negotiable...

The list of people who think it's okay to bully someone.
