Transcript

- Log-into StudentVUE
- Select “Documents”
- Select “Student Transcript”
- Your transcript will list completed courses with grades and credits earned
- Use the credit summary to see which subject areas that you still need courses and credits
- When forecasting, use your transcript as a resource to select your courses

Recommended 11th Grade Courses

What are the typical courses that students take in 11th grade and the possible schedule options?

Recommended Courses for 11th Grade

| Semester 1 | Semester 2 |
|--|--|
| English English 11 or AP English Language | English English 11 or AP English Language |
| Math Talk with your current math teacher to determine math placement | Math Talk with your current math teacher to determine math placement |
| Science Your choice- review the 11th grade course sheet | Science Your choice- review the 11th grade course sheet |
| Social Studies Your choice- review the 11th grade course sheet | Social Studies Your choice- review the 11th grade course sheet |
| World Language or Elective | World Language or Elective |
| Health 2 | Elective |

Forecasting Decisions

English:

- English 11 or AP English Language

Math:

- Talk with your current math teacher to determine math placement

Science:

- Do you want to take a year-long lab science, a year-long AP lab science, or a non-lab semester science?
- Consider interest areas and 4-year college admission requirements

Social Studies:

- Do you want to take a year-long AP social studies or a semester social studies?
- Consider interest areas and 4-year college admission requirements

Health 2:

- During 11th grade, summer school, early period, or in 12th grade?
- PE as an elective?

World Language:

- Will you continue in your World Language?
- Students need at least two-years of the same world language to go straight to a 4-year college
- Do you want start a World Language?

Electives:

- What are you interested in/what would make your day great?
- How many electives do you need to fill your schedule?

What's New?

- **New Courses:**

- Astronomy
- Culinary Arts
- Journalism III
- Robotics II
- Running
- Web Design II

- **New Course Information:**

- Art I is no longer a prerequisite for Sculpture or Jewelry

- **Important Info:**

- Students will be unable to forecast for TA, SA, Office Aide, Peer Mentor, or Primary Tutor
- If we are able to offer these opportunities, we will make schedule adjustments in the Fall

Possible Schedule Options- Scenario 1

| Semester 1 | Semester 2 |
|-------------------|-------------------|
| English 11 | English 11 |
| Trigonometry | Trigonometry |
| AP Physics I | AP Physics I |
| AP Microeconomics | AP Microeconomics |
| Spanish IV | Spanish IV |
| Health 2 | Art III Painting |

Possible Schedule Options- Scenario 2

Health 2 does not fit in this scenario.

*Options:
summer school, early period, or during 12th grade*

| Semester 1 | Semester 2 |
|----------------|---------------|
| AP English 11 | AP English 11 |
| Pre-Calculus | Pre-Calculus |
| Marine Biology | Geology |
| Street Law | World Wars |
| Journalism II | Journalism II |
| Choir | Choir |

How to Prepare for Online Forecasting

- Ensure that you can log-onto StudentVUE
- Review the [Curriculum Guide](#)
- Complete the 11th Grade Forecasting Worksheet
- Attend the Virtual Drop-In Forecasting Help Sessions
- Email or text your school counselor to ask questions or to request that they review your course selections

Forecasting in StudentVUE

- Log-into StudentVUE
 - Believe that you can forecast in the app., but forecasting on a computer might be easier
- Select “Course Requests”
- Select Blue Button “Click here to change course requests”
- Focus on:
 - Add Request
 - Add Alternate
 - Course ID
 - Course Title
- Do not need to save- it saves automatically

Summer School

- Thursday, June 24 - Friday, July 16, 2021
- Monday, April 19: Registration will open on on the main WHS website
- Comprehensive Distance Learning:
 - Health 1 and Health 2
 - Combination of synchronous and asynchronous learning
 - Monday-Friday: 8:30-11:30 am
- Traditional In-Person Learning:
 - Art I and PE
 - Monday-Thursday: 8:30-11:30 am
 - Friday: At-home learning
- Credit Recovery Options
