Steve A. Hunter
Principal

Dr. Eric L. Cunningham
Superintendent
Tyrana B. Battle
Assistant Superintendent of
Curriculum and Instruction

To the Parents of Rising 10-12 Grade Students:

As this unusual year comes to an end, it is time for your child to select classes for the 2020-2021 school year!

Enclosed in this envelope you will find:

- (1) Halifax County graduation requirements and checklist
- (2) Course selection form
- (3) Student transcript
- (4) Instructions on putting your class selections in Powerschool

Please use the graduation requirements, check list and transcript to select the courses for next school year. Please refer to the school webpage for a course description guide

(www.halifax.k12.nc.us/nw), (Note: when making class selections –please do not select basic unless your child has an IEP that supports that choice)

It is very important that parents review and discuss their child's course selections, including electives to ensure they are taking classes to fulfil the necessary requirements for graduation.

Once selections have been made:

- (1) Course selections can be entered directly in Powerschool (student/parent portal)
- (2) The course selection form can be mailed back to Northwest
- (3) The course selection form can be dropped off at Northwest Mon – Thurs from 9am to 2pm

Course selection forms need to be returned/information in Powerschool by May 15, 2020

Although, we can't meet face to face with each student (which is the normal process), the counselor is still available by phone Monday –Friday from 8 to 4, please call 252-308-1450 or (252) 586-4125 with any questions or concerns.

We appreciate all you do to help us ensure your child has a successful and fulfilling high school experience.

Steve Hunter, Principal
Doreen Tubbs, School Counselor
Barbara Fitts, Data Manager
Alfreda Smith, CTE Coordinator
