BIOLOGY

Attendance Policy

Students are expected to be in attendance every day. Students cannot miss more than 8 days a semester. A student will not receive credit for a course if they miss more than 8 days. Whenever possible please let Mrs. Schulte know if you plan to be absent. If you are absent, please check in google classroom for the notes of the day and email Mrs. Schulte with any questions you may have. Students are responsible for making up any missing work due to an absence within a timely manner.

If you have questions, please reach out to Mrs. Schulte.

Make Up Work

Life Happens. Mrs. Schulte will accept late work for any assignment except quiz or test corrections. All late/missing work **MUST** be turned in prior to the Unit Test. Any work turned in outside of the Unit will earn a maximum grade of 50%.

Remind Code for Class

The Remind Code for my class is

Mrs. Schulte will give it to me in class.

A note from Mrs. Schulte

I am so excited to have you in my Biology class this semester. If you have any questions, comments, or concerns at any point during the school year please do not hesitate to reach out. This course is very vocabulary heavy. You will need to study. I will provide study guides, vocabulary guides, and many other review tools for you to use. However, you have to study. If you need to schedule a time for tutoring please let me know.

I look forward to a great semester.
