

COURSE INFORMATION SHEET - CLASS OF 2028

PLEASE READ CAREFULLY: The scheduling process should be a team effort involving the student, their teachers, and the parent/guardian. We want students to have the most appropriate course selections that both challenge them academically and best prepare them for the future while keeping in mind their extra-curricular responsibilities. It is important for students to balance their academic schedule with their after-school commitments.

****Please reference the COMPLETE Course Planning Guide online on the Liberty High School website****

It is imperative that the student and parent/guardian discuss the selections carefully to ensure that the course requests best reflect:

- The core courses for which the student was recommended
- The extracurricular activities, jobs, and other time commitments outside of school
