

Clay Community Schools Virtual Academy

Starting the 2020-2021 school year, Clay Community Schools students have an option to enroll full time in the Clay Community Schools Virtual Academy. This K-12 program allows students to choose a virtual school option instead of attending their school of legal settlement. Clay Community Schools will still offer part-time virtual school opportunities in the form of credit recovery or blended learning options at the secondary level. (Clay Community Schools believes direct teacher-to-student instruction in the traditional school setting is the best learning environment for students; however, the virtual academy option will be available for students as well.)

Scope and Delivery of the Clay Community Schools Virtual Academy

The Clay Community Schools Virtual Academy will offer a virtual option to students in grades K – 12. To be a full-time student, a student must meet specific requirements. The courses are made available through a partnership with Edmentum's EdOptions Academy and will include a full Elementary program, including all four core courses as well as electives. Secondary students will be offered all core courses, electives, AP, Global Language, and Career and Technical Education courses; everything a student needs to earn a district approved diploma.

Clay Community Schools Virtual Academy will NOT be a stand-alone school. Clay Community Schools Virtual Academy has two (2) types of enrollments for students. **Full-time** students are enrolled in Clay Community Schools Virtual Academy, taking a majority of all courses through the virtual academy. **Part-time** status applies to high school students only. Students are enrolled at either Clay City Jr./Sr. High School or Northview High School, but they are taking one (1) or more courses via the Clay Community Schools Virtual Academy.

All academy students will be officially enrolled in their district assigned school. Part-time students (high school only) will be eligible to be part of their district assigned schools' extra-curricular activities including athletics, band, clubs, or any school sponsored activity if enrolled in at least one in-person course at the school. First year freshmen may participate during their first semester. Sophomores, juniors, and seniors may participate after one full semester and must enroll in at least one in-person course. All participation rules including attendance and academics apply.

Each course will have a certified teacher. This teacher will be working with the student to teach and guide them through the course.

Secondary Students are given a maximum of **18 weeks** to complete a course. Courses can be completed prior to the 18-week window.
