Logging into the Parent Portal is very simple:

Enter your Email Address that was sent to you in the "Username" field.

Enter your Parent Access password in the "Password" field.

Click the "Login" button

Logging In for the First Time The very first time you login you will be required to change your password.

What if I forget my password? If you forget your password, you must click the Forgot My Password" link on the Login page. Your existing password will be emailed to you.
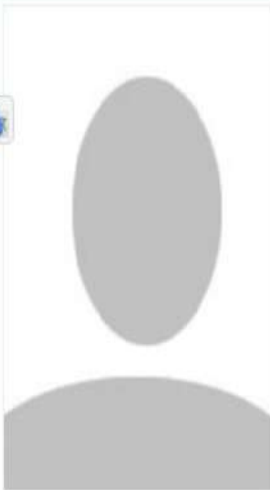

Switching From English to Spanish

- There is a **"Cambiar el idioma a espanol"** button at the lower left corner of every screen. To switch to Spanish, click this button. It then changes the language of the Parent module to Spanish. The button itself changes to **"Change Language to English".** Click this to return to English.

Student Summary Dashboard Screen
Your "HOME" Screen

When you login to Genesis Parent Access the first screen you see is Parent Access "Home". This is the Student Dashboard screen. You will see a "dashboard" for every student linked to your login. Each student's "dashboard" contains the following information:

•Basic information about the student: student id, homeroom, grade, age.

•If you are viewing the screen during the school day, you will also see information about the class your student is in "right now": current class, current teacher and current room.

•Your student's schedule. The class the student is in "right now" is highlighted in green. You can click on the PDF icon to print the schedule
