

As you work to determine “who did it”, “where” and “with what” record your info and be sure to collect evidence to back up your claim.

*NOTE: To help the game go faster, Do not worry about rolling the die on each turn. Simply go right to the next room you wish to make a claim about.

Cross off the options as you rule them out. Collect data that will help you cite evidence when you make a claim. Write your claim, evidence and reasoning on this document before making your claim. Be sure of your claim before you make it. If you are wrong, you are out of the game.
