# Chickasha Middle School PBIS Handbook

## PBIS Overview

In our efforts to establish Chickasha Middle School as a safe, welcoming and purposeful learning environment, we have implemented a program called Positive Behavioral Interventions & Supports (PBIS). PBIS actively encourages students to achieve their academic potential while also behaving with good character. At Chickasha Middle School the focus is on teaching and encouraging appropriate behavior in all areas of the school, concentrating on the instruction of the 3Rs: Respect, Responsibility, and Readiness. Students who are respectful, responsible and ready act appropriately so they maximize their learning opportunities and do not detract or interfere with the learning opportunities of their classmates. Students are actively involved in learning what the 3Rs mean and look like in all areas of our school through activities, lessons, demonstrations, videos and role-playing. In addition to learning the 3Rs teachers and staff will recognize and reward students for better-than-expected behavior. Rewards for these positive behaviors can include but are not limited to: verbal praise, phone calls to parents and special privileges throughout the school. These rewards will be given when students are found in the act of exceptional behavior.

## PBIS Schools

PBIS Schools emphasize a school-wide system of supports that include strategies for defining, teaching, and supporting appropriate behavior. The goal is to design the most effective learning community possible with the best outcomes for all students. Attention is focused on creating and sustaining school-wide, classroom, and individual systems of support. Unlike how schools have typically responded in the past – discipline in response to student misbehavior – PBIS teaches behavioral expectations and rewards students for following them. The goal is to establish a climate in which appropriate behavior is the norm.

## Classroom Management

The key to a positive and effective learning environment is sound classroom management that addresses all aspects of the classroom. Routines will be taught to students at the beginning of the school year and revisited until it is clear that all students understand the routines and are able to perform them. Areas that may be addressed include cooperation, appropriate language, materials and preparation to use them, being actively involved and respectful of the learning environment. These procedures should be in writing so they may be utilized in the event that a guest teacher is needed in the classroom. The techniques used by educators for addressing when a student fails to abide by classroom expectations are unique to each teacher. Although it is impossible to anticipate all possible situations, general plans will be in place for dealing with any behaviors that detract from the learning environment and will be used consistently. This will be the first line of defense in dealing with inappropriate behaviors that are considered to be minor. Note: students who persistently disrupt learning with minor offenses may require administrator involvement.

## What if the routines and procedures are not effective?

Routines and procedures are implemented to address behavior in a proactive manner. At times this is not enough or not effective. Consistently repeating minor offenses may be escalated to a major offense. Four minor offenses will equal a major offense.

## Major Incidents

Some behaviors and incidents require more immediate solutions and/or the attention of an administrator. Referral forms must be completed and submitted to the principal. The student will then be sent to the office. The administrator will speak with the student and contact the parent if needed, and determine an appropriate consequence. When a student returns to class they will be welcomed. A variety of factors are taken into account while processing a major report, therefore, the consequences that arise will vary from student to student. More importantly, in order to create an environment conducive to learning, we must remember that discipline procedures are not the answer to problematic behavior – it is the positive relationships we build as a learning community between students, families and staff. Punitive measures have little effect on student behavior and are more likely to increase instances of inappropriate behavior.

The Chickasha Middle School staff strives to create a positive environment by making connections with our students and families. Children learn best in the context of positive relationships and a safe, comfortable atmosphere. Our staff will explain appropriate behavior and procedures throughout the year, detailing why it is important and encourage all students to be respectful, ready and responsible. By teaching students the necessary social skills for future success we set our students on a course to be lifelong learners and successful citizens. It is our job to ensure that students learn the skills needed to survive and thrive in society. This means developing students that excel in reading, math, writing, and being good citizens.

---

### ACTIVITIES

One of the goals of Chickasha Middle School is to provide every student the opportunity to participate in school related activities. We encourage each student to become active in the opportunities at Chickasha Middle School. The Oklahoma Secondary Schools Activity Association governs all of our competitive activities. See eligibility section for specific eligibility rules.

### ALCOHOL AND/OR DRUG ABUSE POLICY:

Alcohol and/or drug abuse shall be defined as sale, possession, use and/or being under the influence, while under the supervision of the school or in attendance at any school related function, of intoxicating beverages, alcohol, controlled dangerous substances, as defined in the "Chemical Abuse Policy" or any compound, liquid, chemical narcotic, drug, vegetable, fruit, or other substance which:

1. Contains ketones, aldehydes, organic acetones, ether, chlorinated hydrocarbons (e.g. gasoline, glue, fingernail polish, white out, etc.) or some other solvent releasing toxic vapors; or
2. Causes or can cause conditions of intoxication, inebriation, excitement, elation, stupefaction, paralysis, irrationality, dulling of the brain or nervous system, or otherwise changes, distorts, or disturbs the eyesight, thinking process, judgment, balance, or coordination of an individual.

Notification will be sent to the Board of Education, police, District Attorney, and parent(s) or guardian(s) of the student. A second offense will result in suspension from the school for a minimum of a semester's length of time. Upon commission of a second offense, the District Attorney's office will be requested to file the appropriate legal action upon the signed complaint. (Reference O.S. 70-24-102). This policy applies to both regular and special education students. The special education review committee will meet following suspension.

### ASSEMBLIES

Assemblies at Chickasha Middle School are considered to be privileges. Throughout the year, special assemblies will be arranged with guests for enrichment activities. Students are expected to act respectful of any guest to the Chickasha Middle School campus.

### ATHLETICS

It is strongly believed by the teachers and coaches at Chickasha Middle School that interscholastic athletics are important for the development of a well-rounded student. Athletics help the player to achieve a higher standard of mental, moral, social, and physical fitness. The athletic program strives to contribute to the optimum development of participants as individuals through offering a variety of sports activities and expecting these young athletes to maintain excellent scholastic grades in all of their academic classes.

### ATTENDANCE POLICY

Please contact the Attendance secretary the morning of a student's absence at 222-6530. In accordance to the State of Oklahoma school laws and the definition of chronic absenteeism, students must be present at a minimum of 90% of the time in order to receive credit for that class. Chickasha Public Schools' instructional calendar consists of 168 school days. Therefore, a student may not miss more than 16 days throughout the entire school year.

Absences:

There are three (3) kinds of absences: **Excused, Unexcused, and Permitted.** An administrator will determine the kind of absence.

1. **Excused Absences** from school will be allowed for the following reasons, providing a phone call to the **Attendance Office** from the parent or guardian is made on the day of the absence:
  - Illness
  - Doctor or dentist appointment
  - Funerals
  - Emergencies (Family)
  - Recognized religious holidays
  - Statements or appointment cards from doctor or dentist must be presented to the Attendance Office.
2. **Unexcused Absences/Unverified** are given if no phone call to the Attendance Office is made. If no phone call is received by, at most, two days after an absence, the absence will remain unexcused/unverified. **It is the responsibility of the parent or guardian to call in on time.**

#### **Absence Notification:**

1. 1<sup>st</sup> letter-warning to parents, signed by secretary, sent to parent/guardian. Copy placed in student's file.
2. 2<sup>nd</sup> letter-letter to the District Attorney on four (4) absences in a four (4)-week period or ten (10) absences in a semester. Signed by principal, sent to Central Office. Copy of all sent to parent/guardian and placed in the student's file.

A letter and affidavit will be sent to the District Attorney each week that a student continues to have unexcused/unverified absences. This continues each week more unexcused/unverified absences occur.

#### **BACKPACKS**

Mesh backpacks are preferred on campus.

#### **BICYCLES**

Bicycles are to be parked in the designated areas and chained to the rack. The school is not responsible for damage or theft of the bicycle or its parts while parked in the designated areas.

#### **CAFETERIA**

The Community Eligibility Provision (CEP) is a non-pricing meal service option for schools and school districts in low-income areas. CEP allows the nation's highest poverty schools and districts to serve breakfast and lunch at no cost to all enrolled students. Instead, schools that adopt CEP are reimbursed using a formula based on the percentage of students categorically eligible for free meals based on their participation in other specific means-tested programs, such as the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF).

Each parent will be given an application for free and reduced lunches upon enrollment of their child. We are required to provide each parent this opportunity. A new application must be submitted at the beginning of each school year.

**Breakfast:** Breakfast will be served from TBD by start/stop times A.M. to TBD by start/stop times A.M. each morning in the cafeteria. Students will not be permitted in the main building during lunch unless under the supervision of a staff member.

**Lunch:** Lunch will be served each day according to the schedule below.

- Lunch A: 11:04-11:34
- Lunch B: 11:34-12:04
- Lunch C: 12:04-12:34

Students may bring their lunches or they can choose from a regular lunch. **No outside lunches are allowed to be dropped off.** Students are required to remain in the designated areas during lunch. All Chickasha Public School students eat both breakfast and lunch for free.

### CHECKING IN AND OUT OF SCHOOL/ATTENDANCE

Students arriving after the first hour begins must report to the attendance office to obtain an ADMIT TO CLASS slip. The ADMIT TO CLASS slip is not necessarily an excused tardy. If a student is more than fifteen (15) minutes late to class, this will be considered an absence for that period. **If your student will not be in attendance, please contact the school on the day of the absence.** (FDC-R1)

### CHEMICAL ABUSE POLICY

The use and unlawful possession of illicit drugs and/or alcohol is wrong and harmful. The following disciplinary procedures will be strictly adhered to and mandatory for ALL students.

### CHILD FIND NOTICE

Under the Individuals with Disabilities Education Act and other federal laws, public school districts must make a free appropriate education available to eligible children with disabilities, ages 3 through 21. The types of disabilities covered include autism, deaf-blindness, developmental delays, emotional disturbance, hearing impairment including intellectual disabilities, multiple disabilities, orthopedic impairments, traumatic brain injury, and visual impairment including blindness. Chickasha Public Schools is trying to find students ages 3 through 21 who may have disabilities and who are not currently receiving services. If you would like further information or know of a child who may have a disability who is living in the Chickasha Public Schools District, please contact Pam Ladyman at 222-6500.

### CLASSROOM/SCHOOL BEHAVIOR

We desire that all students accept responsibility for self-discipline. Expectations are that all students will conduct themselves in a manner that enhances the learning process. Any behavior which is impeding the learning environment of others will be addressed.

### CLOSING OF SCHOOL DUE TO INCLEMENT WEATHER

Closure of school due to inclement weather conditions will be announced by 6:30 A.M. on KOOL 105.5 Radio and all major Oklahoma City TV Stations. Closure of school will also be announced on the district website: [www.chickasha.k12.ok.us](http://www.chickasha.k12.ok.us) and on Chickasha Middle School's Facebook page. Parents and students are encouraged not to call the school so building administrators will be able to implement safety procedures. Please provide the school with current phone numbers so that you can be reached in case of school closure.

### CONDUCT OFF-SCHOOL PREMISES

Students involved in off-campus attacks on school officials, their families, animals, or property, will result in disciplinary action at school. School authorities have the power to discipline pupils for out-of-school conduct having a direct and immediate effect on the discipline, welfare, and effectiveness of the school- including but not limited to: ***texting/social media, notes, or any other form of contact.*** At a school function or during school hours school officials have the authority to discipline students for off-campus misconduct involving weapons, alcohol, or drugs. A conference can be held with the site school counselor, an administrator, parent/guardian, and the student prior to the student's re-entry to school. If it is determined that the student may not return to school, further counseling will be implemented.

## CONFERENCES

Conferences will be scheduled with teacher(s). In order to maintain open communication, parents are encouraged to attend with their student(s).

First semester conference dates will be the evening hours of Monday & Tuesday, September 19 & September 20th. Second semester conference dates will be the evening hours of Monday & Tuesday, February 13th & 14th. All Conferences will be held 2:40-6:15pm.

See Board Policy for guidelines regarding a formal complaint.

## DELIVERY OF NOVELTIES

Flowers, balloon bouquets, novelty items or gifts **MAY NOT BE** delivered to students at Chickasha Middle School.

## DRESS CODE/STUDENT APPEARANCE

It is the desire of the administration and staff of Chickasha Middle School that every student be provided the opportunity for a quality education on a daily basis. When the dress code becomes the focus due to the inappropriateness of the clothing, this creates an environment that is not conducive to a quality education. Good grooming promotes pride and is a very important part of the general training of young people. The training is a cooperative effort of the school, parents, and students. It is the intent of the student dress code to permit students to dress according to fashion, and at the same time restricts extremes or indecency in grooming which will distract from the main purpose of the educational program. The foundation of a dress code is to provide appropriate standards for student appearance and to assist in maintaining student behavior that is conducive to the learning environment.

1. **Skirts, Dresses and Tops:** Any skirt, dress or top shall not be indecent and may be worn with the following conditions:
  - a. Undergarments shall not be visible.
  - b. Shirts must be long enough to be tucked in. The skirt or dress shall not be conspicuous or indecent and must be appropriately (principal's discretion) long enough when standing.
  - c. Any article of clothing that exposes the entire shoulder, back, or midriff may not be worn. **The upper garment may not be less than 2 fingers wide covering the top of the shoulder – no spaghetti strings.**
  - d. No tank tops, muscle shirts with large armholes or low scooped necklines.
  - e. The cut of sleeveless garments must not expose undergarments or be otherwise immodest.

- f. Clothing that promotes violence, gang activity, drugs, alcohol or communicates a negative message are prohibited.
  - g. Mouth 'grills' will not be permitted.
2. **Pants:** Pants, jeans, or slacks of styles that are neat, clean, and in good taste are acceptable. Pajama wear is not acceptable. Indecent holes in jeans are not acceptable.
3. **Shorts:** The shorts shall not be conspicuous or indecent and must be appropriately (principal's discretion) long enough when standing.
4. **Sagging:** Garments worn with the waistband significantly below an individual's waistline is prohibited. Pants, jeans, and/or shorts are to be worn with the waistline of the garment at the individual's waist. Undergarments shall not be visible.
5. **Shoes:** All types of street shoes are acceptable for school wear. No house shoes or slippers.
6. **Accessories:**
- a. Headbands, armbands, leg bands, and bandanas are prohibited.
  - b. Hoods from sweatshirts are not allowed to be worn inside the building due to security reasons.
  - c. Lettering of any type of sew-on patch, decal, insignia, etc. which is suggestive, vulgar or refers to alcohol, non-prescription inhalants, tobacco, drugs, or gangs is not acceptable.
  - d. No dress or attire will be acceptable that shows disrespect.
  - e. Sunglasses are banned from inside the buildings except when prescribed by doctors.
  - f. Dog collars, studs, wallet chains, large hair picks, or jewelry/accessories that pose a safety concern for the students or others are prohibited.

There may be changes, interpretations or exceptions to the dress code as deemed necessary by administrators. These changes or interpretations will be dependent upon safety conditions or situations that develop. Any student deemed in violation of the dress code will be required to find clothing that meets the code or will be sent home to correct the situation. Failure to comply will be grounds for disciplinary actions.

## ELECTRONIC DEVICES

The school will not be responsible for searching for or replacing electronic devices of any kind that are brought to school. This also applies to cell phones, air pods, earbuds, etc. Should a student bring an electronic (cell phone, earbuds, etc) they are only allowed during designated times; otherwise they are to be turned off and put inside the student's bag.

## ELIGIBILITY

It is the policy of the Board of Education that only those students who are fully eligible scholastically will be permitted to represent the school in any capacity. (EE) Other than regular meetings and practices, a student must meet the guidelines prescribed by "Student Eligibility during a term" and "term grades".

### **Student Eligibility During a Term:**

Scholastic eligibility for students will be checked at the end of the third week of each semester and each week thereafter. This grade is cumulative based on grades for the entire semester. A student must be passing in all subjects he/she is enrolled in during a term. If the student is not passing all subjects enrolled in at the end of a week, he/she will be placed on probation for the next one-week period. During probation, the student is eligible to participate. If a student is not passing all subjects at the end of this probationary period, he/she is ineligible to participate until passing all subjects. When a student is passing all subjects, he/she will become eligible at the beginning of the following eligibility week. The ineligibility period will begin on a Monday and end on a Sunday. Eligibility reports will be prepared Friday afternoon. Any work to be included in the computation of a student's grade must be turned in to the teacher no later than Wednesday. Any work turned in after that designated time would not be counted for eligibility for the following week. The coach or sponsor will notify a student who is on probation or is ineligible. A sponsor, a director of an activity, or a coach of a sport will not be permitted to question any teacher about an ineligible or probationary student. It is the student's responsibility to

confer with his/her teacher if there is a question about eligibility status. If the questions cannot be resolved, the matter may be referred to the principal, athletic director, or principal's designee.

**Students who are ineligible are not permitted to attend extracurricular activities.**

## **EMERGENCY DRILLS**

In order to be prepared for an emergency, administrators will conduct fire, tornado, lockdown, and intruder drills. As a safety precaution, emergency procedures will not begin until announced by a faculty member. Whenever an emergency procedure is conducted, students should conduct themselves in a safe and appropriate manner.

## **FOOD OR DRINK**

Students may not have food or drinks in the classrooms. Students may have clear bottles with water ONLY in classrooms. No outside food or drink is allowed during lunch.

## **FUNDRAISING CAMPAIGNS**

The faculty sponsor, the principal, and the Board of Education must approve any methods or occasions of raising money by a student group. All club monies must be turned in to the financial secretary in the front office daily. Cash must not be left on the school premises overnight. Persons who collect monies will be responsible for the replacement of any monies unaccounted for, misplaced, lost or stolen. Parents and other support organizations are encouraged to have fundraisers other than door-to-door sales involving students as salespersons.

## **GRADE RETENTION OR COURSE FAILURE**

Whenever a teacher or teachers recommend that a student be retained in a grade or not passed in a course, the parent or guardian, if dissatisfied with the recommendation, may appeal the decision to the Board of Education. The Board of Education shall hear grade retention/course failure appeals only following a required parent/teacher/counselor and/or administrator conference. The decision of the Board shall be final.

## **GRADING SYSTEM**

At the end of the fifth week of each nine-week period, parents/guardians will receive a progress report and at the end of each nine-week period, each student will receive a report card. The letter grade will indicate the progress of the student in each class. See the grading scale below.

A	Superior quality of work (90-100)
B	Good quality of work (80-89)
C	Satisfactory quality or progress in terms of ability (70-79)
D	Below quality of work expected (60-69)
F	Unsatisfactory work (below 60)

Teachers will also contact parents by mail, phone or email when the student is having difficulty of any kind, which interferes with the educational process.

If a student does not pass 3 of 4 core classes for the year, he or she will be recommended for retention. Whenever a teacher or teachers recommend that a student be retained in a grade, the parent or guardian, if dissatisfied with the recommendation, may appeal the decision to the Board of Education. The Board of Education shall hear grade retention appeals only following a required parent/teacher conference, and the decision of the Board shall be final.

Teachers are required to record two grades at a minimum per week, for each subject area.

Students who are failing a class will not be permitted to attend extracurricular events.

## GRIEVANCE PROCEDURE

The Chickasha School District recognizes that students and parents/guardians have a fundamental right to discuss grievances that they might have with the district. However, it is also recognized that there must be an orderly procedure for carrying out the grievances. The following steps constitute the procedure for students and parents/guardians:

1. If the grievance is directed toward a teacher, the parent should make an appointment to visit the teacher.
2. After this initial meeting, if the grievance is not settled, the parent should discuss the problem with the principal.
3. If the issue is not resolved, an appointment should be made with the superintendent or his/her designee.
4. After exhausting all of these available channels, the parents/guardians may appeal to the Board of Education following Board Policy 1.6. The Board's action shall be the final determination of the grievance.

## GUIDANCE SERVICES

Please notify our counselor if a student is in need of special guidance services. They can be reached at 222-6530. You are encouraged to request any grade checks directly through your student's classroom teacher via email or through the student information system parent portal.

## HALLWAYS

Students are expected to behave appropriately in the hallways. Safety is our main concern. Students should walk on the right side of the hall.

## HEALTH SERVICES

If a student is ill, he/she is to report to the main office. If a student is under a physician's care and medication is prescribed during the school day, a note from the parent, along with the medication in the original prescription container, must be presented to the secretary in the main office.

### **Philosophy of the Health Services Department**

The primary objective of school health services, as provided by the professional school nurse, is to strengthen the educational process of students by assisting them to improve or adapt to their health status. To accomplish that end, we believe:

1. Healthy students make better learners; therefore, attaining optimum health for each student is desirable and promotes the learning process.
2. Modification of the general curriculum should be made to meet the needs of the physically, emotionally, and culturally and intellectually handicapped student.
3. A health program, which is current, factual, and applicable to today's living prepares students to develop self-enhancing, healthful lifestyles.
4. A safe, healthful school environment is conducive to learning.

We provide health services so that each student will have the optimum health possible and the knowledge and desire to attain this goal.

## HOMEWORK/ASSIGNMENT POLICY

Homework shall be viewed as an integral part of the total school program. Homework assignments should support and enrich the learning experience as directed by the teacher in the classroom. All homework will be evaluated and included in determining a student's final grade. Homework is assigned for the following purposes:

1. To supplement and reinforce classroom work.
2. To give increased practice in particular skills.
3. To make up work missed due to an excused absence.

4. To develop initiative, independence, self-direction and responsibility.
5. To assist in developing good study habits.
6. To provide parents with opportunities to become aware of what is being taught in the classroom.

Any homework/class assignments will not be accepted after two weeks from the assignment due date. This could be less based on teacher grading policy.

## INTERNET POLICY

In order for the School District to provide access to its computer network and the Internet, all students must take responsibility for appropriate and lawful use of these resources. Teachers and other staff will make reasonable efforts to supervise student use of the network and the Internet. Students must understand that inappropriate use can result in one or more of the following: loss of network privileges, school disciplinary action, and/or appropriate legal action. Listed below are the provisions regarding computer network and Internet use. If you have any questions about these provisions, you should contact the principal.

**Acceptable Use:** The School District is providing access to the computer network and the Internet for educational purposes only. Educational purposes include access to educational material, training, and research.

**Unacceptable Use:** Among the uses that are considered unacceptable and which constitute a violation of this policy are the following:

1. Unlawful activity such as unauthorized access, "hacking", copyright violation, and program vandalism.
2. Viewing, transmitting, or downloading pornographic or other inappropriate materials.
3. Transmitting harassing, offensive, or defamatory messages.
4. Damaging network resources by exposure to viruses or compromising the hardware or software.
5. Use that is commercial in nature.
6. Unauthorized disclosure of private information such as address, phone number, social security number, and credit card numbers.
7. Unauthorized access to electronic mail, chat rooms, and other forms of direct electronic communications.
8. Installing software programs from the Internet or disk(s) without express permission of the supervising teacher or principal.
9. Active Restriction Measures: The District will take reasonable precautions by utilizing filtering software, hardware, or other technologies to prevent students from accessing visual depictions that are (1) obscene, (2) child pornography, or (3) harmful to minors. The School will also monitor the online activities of students, through direct observation and/or technological means, to ensure that students are not accessing such depictions or any other material that is inappropriate for minors.

## LIBRARY

The Chickasha Middle School Library is dedicated to enhancing the school curriculum by providing both educational and recreational materials. Students may check out up to one or two books (fiction or nonfiction) for a period of 14 school days as long as the student is in good standing with regard to checkouts. After one (1) day of grace, a three (3) cent fine per school day may be assessed for overdue books. This does not include textbooks. The library is automated, providing quick access to materials. There are devices available for the students to conduct research, create Google documents, or occasionally enjoy educational games. Students are given the opportunity to visit the library with teacher permission or with the Language Arts teacher. ***The destruction, theft, or failure to return school library books is a misdemeanor under state law.*** The library contains a wide variety of materials, covering a wide spectrum of topics. Some topics which may be appropriate for some are not always appropriate for others. Our media center contains trade books for grades 7-8. The library also has a small collection of easier books that can be accessed with teacher approval. Please be aware that at any time a student selects a book either on purpose or unknowingly, which proves to be too difficult or in which the content is unpleasant or inappropriate for that student, he/she may return it immediately and select a different book. A student will not be forced to check out books, for the purpose of leisure reading, anything that he/she feels is inappropriate, either by level or content. There is a wide variety of items to choose from in the CMS Media Center.

## LOST AND FOUND

Personal belongings and books should be marked with the student's name. Should a student lose a book or personal belongings, he/she should first check with teachers and friends. If the item is not located, the student should check in the main office. Students are responsible for replacing missing text and library books checked out to them. Any lost textbooks or library books will need to be paid for by the student before being issued another book. Proof of receipt will enable student to be issued another textbook. At the end of the school year, any lost textbooks and/or library books may result in report cards being withheld from students and parents.

## MAKE-UP WORK

Students are given one day plus the number of days absent to make-up work. **Requesting make-up work for absences is the responsibility of the student.** Any work missed due to an absence or participation in a school activity will be made up by the student. All make-up work turned in on time will be graded. If a student is **absent for three or more days**, assignments may be requested by the parent through the main office.

## MONEY AT SCHOOL

Students are not encouraged to bring money to school. Fundraiser money should be taken to the sponsor upon arrival to school. **The school will not be responsible for money lost or stolen.**

## NONDISCRIMINATION

Board Policy AB - Nondiscrimination

Chickasha Public Schools are committed to the policy that no person shall be unlawfully subjected to discrimination in, excluded from participation in, or denied the benefits of any educational program, extracurricular activity, or employment. District does not discriminate on the basis of race, color, sex, pregnancy, gender, gender expression or identity, national origin, religion, disability, veteran status, sexual orientation, age, or genetic information in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.

Prior to participation in any class activity, parents, guardians, and/or volunteers are required to complete a volunteer application and are subject to a background check.

## REPORTING ABUSE OR NEGLECT

Every person, private citizen or professional who has reason to believe that a child under the age of 18 is being abused or neglected is mandated by law to promptly report suspected abuse to the Oklahoma Department of Human Services (DHS). Likewise, law enforcement will be notified when there is reason to believe a criminal act has occurred.

background. CORE CLASS ASSIGNMENTS ARE MADE BY THE COMPUTER. CORE CLASS SCHEDULES ARE CHANGED ONLY FOR UNUSUAL CIRCUMSTANCES. CHANGING CLASSES TO BE WITH FRIENDS WILL NOT BE ALLOWED. ALL CLASS CHANGES MUST BE APPROVED BY the ADMINISTRATION. Should you have a concern, please contact the counselor and schedule a conference.

Lockers, desks, and other storage areas or compartments may be subject to searches as any time with or without reasonable suspicion.

8. Such suspension may be in addition to any civil or criminal liability.

Students are encouraged to attend school activities. Students 8th grade and younger must be accompanied by an adult at all times. **Students without an adult with them upon entrance will not be allowed to enter.** Whether as a participant or a spectator, all students will observe courtesies of good sportsmanship and character.

## STUDENT RECORDS POLICY

In the course of a student's education, the school district will keep records deemed necessary to provide programs to meet his/her needs and interests. The Chickasha Public Schools Policy and Procedures related to these records meet the provisions of the Family Educational Rights and Privacy Act (FERPA).

Parents and eligible students have the following rights under the FERPA Policy: The right to inspect and review the student's educational records. The right to seek to correct parts of the student's educational

Chickasha Public Schools shall limit the disclosure of information in a student's educational records except:

1. by prior written consent of the student's parent or the eligible student,
2. as directory information, or
3. under circumstances permitted by FERPA.

Copies of the FERPA Policy are available during normal school hours at the principal's office. The FERPA Policy and Procedures is also located in the Superintendent's Office, located at 900 W. Choctaw Avenue. Parent(s)/guardian(s) and eligible students have the right to inspect or obtain copies of this policy. The administration building is open between the hours of 7:45 A.M. and 4:30 P.M., Monday through Friday, except designated holidays. A translator/interpreter will be provided whenever necessary.

### **TARDY POLICY**

Students will have 3 minutes between classes. When the tardy bell rings, all classroom doors will be closed and students will be considered tardy. After a class has been in session for more than 15 minutes, the student will be considered absent from that class. (FDC-R1) It is then the student's responsibility to ask for make-up work. **THERE ARE NO EXCUSED TARDIES**

### **TITLE I PARENT PARTICIPATION POLICIES**

**Conferences:** Student-led conferences or parent/teacher conferences of all students with advisory/classroom teachers will be scheduled according to the district calendar and as needed. Progress reports will be provided to parents each nine (9) weeks informing parents/guardians of their child's progress toward meeting District/State standards.

Parents/guardians will be kept informed of school activities through schools website, schools Facebook page, newsletters, notes, e-mail, parents/guardians are utilized and encouraged to participate in many volunteer activities.

## TRANSPORTATION

Riding a school bus is a privilege and the privilege may be removed for not following the bus rider rules. Should a student be removed from a bus for inappropriate behavior it will be the responsibility of the parent to make other transportation arrangements to and from school for their student.

Previous to loading, student should:

1. Be on time at the designated school bus stops-keep the bus on schedule.
2. Stay off the road at all times while waiting for the bus.
3. Wait until the bus comes to a complete stop before attempting to enter.
4. Be careful in approaching bus stops.

While on the bus, students should:

1. Keep all parts of their body inside the bus.
2. Refrain from eating and drinking on the bus.
3. Refrain from the use of any form of tobacco, alcohol, or drugs.
4. Assist in keeping the bus safe and clean at all times.
5. Remember that loud talking and laughing or unnecessary confusion diverts the driver's attention and may result in a serious accident. (The life you save may be your own.)
6. Treat bus equipment as you would valuable furniture in your own home. Damage to seat's etc. must be paid for by the offender.
7. Never tamper with the bus or any of its equipment.

2. Go home immediately, staying clear of traffic.
3. Help look after the safety and comfort of small children.

Extracurricular Trips:

1. The above rules and regulations should apply to all trips under school sponsorship.
2. The school officials should appoint sponsors.

## UNAUTHORIZED LOCATION/ACCOMPLICE

Any student determined to be accompanying a student who has committed an act which violates a policy in the handbook, is subject to the same disciplinary action as the student who has committed the act. The student is considered an accomplice of the student who commits the violation.

## VISITORS

The Board of Education welcomes the active interest of parents and citizens in their public schools, and invites the community to visit at any time. However, since schools are a place of learning, certain limits must be set on visitations and visitors. (GJ) The building principal is responsible for all persons in the building and on school grounds. For this reason, the following policy applies to visitors to our school sites:

- Anyone who is not a regular staff member or student of the school is defined as a visitor.

- Any visitor to the school must report to the office of the principal upon arrival at the school to sign in and receive a visitor's pass.
- Parents or citizens wishing to observe a classroom while school is in session are requested to arrange such visits in advance with the principal so that class disruptions are minimized.
- Teachers are not expected to take class time to discuss individual matters with visitors.

School visitations by students who are not enrolled in the Chickasha Public Schools are prohibited. Vacationing students from other districts are prohibited from attending class or visiting at school during regular school hours. The building principal must approve exceptions to this policy.

*The superintendent or principal of any school shall have the authority to order any person out of the school building and off the school property when the person interferes with the peaceful conduct of activities at the school.* The school Resource Officer will issue a notice to vacate to any person who is requested to leave any school property, function or event and will be unable to return to the premises without the written permission of the administration for a period of six months. Any person who refuses to leave the school building or grounds after being ordered to do so by the superintendent or principal, shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$500.00 or by imprisonment in the county jail for not more than 90 days, or by both such fine and imprisonment.

## VOLUNTEERS

Parents are always welcome to attend events, programs, and celebrations with their child. However, school volunteers must submit a completed volunteer application and volunteer agreement. Both of these forms are located on the district website. Your child's school or the CPS administration office (900 West Choctaw) can provide hard copies. To be an "approved" volunteer, background records will be checked. Also, the application and agreement must be updated and resubmitted every other school year. Only approved volunteers will be allowed to be alone with any student or group of students.

## DISCIPLINE POLICY

The Chickasha Public Schools believe that the primary function of the schools is to educate children. We further believe that all students have the right to learn free of unnecessary distractions and to attend a school in which an atmosphere conducive to learning exists.

All students enrolled in the Chickasha Public Schools will be expected to abide by the rules and regulations set forth by the administration, teachers and Board of Education. The teacher or administrator shall have the same right as a parent or guardian to control and discipline a child while in attendance at school, school sponsored activities, or being transported to or from school sponsored activities in district owned transportation equipment. (The provisions of this policy include behavior at bus stops and children walking to and from school). Any student who is found to be guilty of disobeying the rules or showing disrespect for any staff member and/or school property, will be subject to disciplinary action. The disciplinary action to be taken will depend on the severity of the violation and the number of times the student has broken the regulation (70 O.S. 60114, School Laws of Oklahoma).

The classroom teacher should handle classroom discipline. Only after other measures have failed or a major infraction has occurred should a student be sent to the discipline office. Students should also understand that any teacher employed by Chickasha Public Schools has the authority to correct misconduct at school or at school sponsored activities.

**THE ADMINISTRATION RESERVES THE RIGHT TO DETERMINE APPROPRIATE DISCIPLINARY ACTIONS.**

## DISCIPLINARY ACTIONS

In considering the different forms of disciplinary action, the faculty and administration of the school district will consider the following actions. However, the school is not limited to these various methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The Board of Education will rely on the judgment and discretion of the administration and/or faculty member to determine the appropriate remedial or corrective action in each instance.

#### Conference with student

- Conference with parent

This is a written agreement between the student and teacher/administrator defining specific acceptable behavior patterns to be followed by the student, and the penalties to be assessed if the student fails to comply with the procedures outlined in the contract.

#### **Detention**

A period of time, other than class time, when the student is detained as a disciplinary measure. Detention assignments, when practical, should begin the day following the infraction. Failure on the part of any student to attend detention will result in further disciplinary action.

- (A) **Teacher Assigned Lunch Detention** - Lunch Detention will be held in the assigning teacher's classroom. Students may bring lunch or purchase lunch from the cafeteria. Students must bring books and work.
- (B) **Regular Lunch Detention** - This detention is assigned by an administrator and will be used for tardies.

#### **In-School Restriction (ISR)**

The objective of this program is to provide an alternative to out-of-school suspension for those students who fail to function acceptably in the education setting. ISS is in lieu of the regular day. For a student to be placed in ISS, parental contact will be made. The student will sign a procedural contract so there is no misunderstanding about the intent of the ISS Program and its policies/procedures. Failure to follow the policies of ISS will result in immediate out-of-school suspension. Any student placed in ISS will not be allowed to participate in any school activities until their time is completed. Students may only participate in practice times that are outside of the normal school hours.

#### **Suspension**

(Removal of a student from school and all school functions for a specific period of time). The principal or his/her designee may suspend a student(s) for varying lengths of time depending on the infraction(s). A student can be suspended from one day to a maximum of two semesters. Parents or legal guardians of the student(s) will be notified by mail and verbally, when possible, of the suspension.

## CLASS ASSIGNMENTS DURING SUSPENSION

Make-up assignments during the period of suspension will be put on a special assignment form. These assignments will be made available to the parent(s) to pick up at the school at a reasonable designated time. It is the student's responsibility to complete the assignments during the suspension period. The assignments are due on the day the student returns to school at the end of the suspension period. Zeros will be recorded for all assignments that are not turned in upon the student's return from suspension. The student will be allowed to complete any tests that were administered during the suspension period. These guidelines apply only to those students who have been suspended more than 3 school days. Students who are on suspension will not be allowed to attend any school district functions or be on any school campus during the suspension period.

## APPEALS PROCESS (FOD-R)

**Appeals Procedure for Suspension:** A student has the right to notice of alleged misconduct and an opportunity to respond to the allegations before the student can be deprived of his/her right to an education by way of suspension. The student is entitled, upon written request, to appeal all out of school suspensions. The student and/or parent or guardian should follow the procedure below:

### Suspensions of 10 days or less

**Appeal of Short Term Suspensions (Board Policy EK):** A student suspended for a period of ten (10) or fewer school days, following an informal pre-suspension conference with principal or designee, may appeal the suspension as follows:

- A. An appeal to the Principal must be requested in writing to and received by the school principal or designee within two (2) calendar days after the principal's or designee's suspension decision is received by the student or parent and must specify what part of the out-of-school suspension decision is being appealed. The parent/student may appeal one or both of the following:
  - a. The finding of guilt of the charge(s) by the principal or designee for which the student was suspended; and/or
  - b. The reasonableness and length of the suspension.
- B. The suspension decision will become final and unappealable if a request for appeal is not timely submitted.
- C. Upon receipt of the request for an appeal, the Principal shall confirm the suspension falls within the category of suspensions to which an appeal to the Site Committee is authorized. If the Principal or designee determines the period of suspension is greater than ten (10) school days, or if for any reason, the short-term suspension is extended beyond ten (10) school days prior to the committee hearing, the procedures applicable to long-term suspensions must be followed and the student must be given the opportunity to appeal any adverse decision as provided by this policy for long-term suspensions.
- D. The Principal or designee shall appoint a Site Committee to hear the appeal. The Site Committee shall consist of not less than three District employees, who shall be a minimum of two teachers assigned to the school site and an administrator or counselor not involved with the suspension of the student. The Site Committee shall designate a chairperson. No administrator or teacher who witnessed the misconduct or any teacher teaching the student during the current semester shall serve on the Site Committee.
- E. The short-term appeal must be submitted in writing that includes all reasons, rationale, and facts that are deemed appropriate as to the nature of the appeal.
- F. The Site Committee will conduct a full review of the issues appealed. The appeal review will include policies or regulations related to the student's misconduct; read, refer to, or distribute the policy, rule or regulation which the student's misconduct violated; and any statements or submit documentary evidence which support the suspension decision. The student or parent will

explain the student's position and/or make statements or submit documentary evidence relating to the appealed issues in writing.

- G. Evidence by witnesses shall be submitted to the Site Committee in writing only. For evidence supplied by student witnesses, the Site Committee shall have the authority to restrict the identity of the student witnesses. In this case, the Principal or designee will inform the Site Committee of the information received from students and explain why the Principal or designee believes that information received is valid and supports the suspension decision
- H. The Site Committee meeting is closed to the public.
- I. Legal counsel is permitted to provide information and documentation for the appeals process that can be reviewed by the Site Committee.
- J. At the conclusion of the review of the evidence, the Site Committee shall render a decision by a majority vote and such decision is final and not appealable. The Site Committee's decision shall be to uphold, modify, or revoke the suspension decision of the Principal or designee as to the guilt or innocence of the student and/or the reasonableness and length of the out-of-school suspension, depending on the issues appealed. The Site Committee's decision shall be in writing and mailed, e-mailed or delivered to the parent, the Principal and the Superintendent. The decision of the Site Committee is final and non-appealable.

### **Suspensions of more than 10 days**

**Step 1:** If the suspended student and/or his/her parents are not satisfied with the principal's ruling regarding a **suspension of more than ten (10) days**, they may appeal to the superintendent of schools, in writing, within 48 hours of the principal's decision. The Superintendent of Schools, or his designee, will schedule a level 2 appeal within 5 days of receiving the request. The student and/or parent/guardian will have an opportunity to present his/her case to the Superintendent or designee regarding the incident. The Superintendent shall provide written determination of his/her decision within 5 days of the hearing.

**Step 2:** If the suspended student and/or his/her parents are not satisfied with the decision of the Superintendent from the level 2 appeal, they may appeal to the Board of Education.

At Board hearings for suspensions of more than ten (10) days, the student(s) and his/her parent(s) or legal guardian(s) will have the opportunity to present his/her side of the case and question any witnesses present at the time of the hearing. The student may or may not be represented by legal counsel. The parent(s) or guardian(s) must be present at all hearings unless the student is self-supporting. All necessary school personnel will be present at the hearing to present the school's position. If the parent(s) or guardian(s) of the student does not request a due process hearing, the determination of the recommendation will be based on the information available at the time. A written decision will be provided to the parent upon the Board of Education's determination. The decision of the Board of Education is final.

### **LEGAL AUTHORITY FOR SUSPENSION**

**Authority to Suspend:** A principal or his/her designee has the initial responsibility and authority to suspend a student. In buildings where assistant principals are not provided and the principal is absent, the superintendent or his/her designee or another principal from one of the district's schools, shall come to the school where a student is presenting a discipline problem, assist in the resolution of the problem and be authorized to make suspensions in the absence of the principal. (Reference: O.S. 70-24-102)

**Students who are suspended or attending ISR are not permitted to attend extracurricular activities during this time.**

### ALCOHOL AND/OR DRUG ABUSE/POSSESSION (INCLUDING PARAPHERNALIA)

The use and unlawful possession, sale, purchase of illicit drugs, distribution of over the counter drugs and/or alcohol, or the intent thereof, is wrong and harmful. The following disciplinary procedures will be strictly adhered to and mandatory for ALL Chickasha Middle School students.

#### **Student suspension for alcohol and/or drug abuse:**

"Whenever it appears to any public school teacher that a student may be under the influence of intoxicating beverages as defined in Section 163.2 of Title 37 of the Oklahoma Statutes, or a controlled dangerous substance as defined in Section 2-101 of Title 63 of the Oklahoma Statutes, the teacher shall report the matter, upon recognition to the school principal or his/her designee. If the student is found to be under the influence, selling, or purchasing illegal drugs/alcohol, or has the intent to do so, the principal or designee shall immediately notify the Superintendent of Schools or designee and a parent or legal guardian of the student of the matter." (Reference O.S. 70-24-138).

**Under the Influence:** If a student is suspected of being under the influence of Drug/Alcohol because of odor or residue on the breath or clothing, they will be disciplined according to the following. The principal will inform the parent(s) both verbally, when possible, and by letter, that the student has been suspended for alcohol and/or drug use. The notification will include the length of the suspension and will ask both parent(s) and student to meet with the principal or his/her designee. A student who is a 2<sup>nd</sup> time offender will receive a longer suspension.

**For suspensions greater than 20 days** - During the conference with the principal, or his/her designee, the Substance Awareness Intervention Program of the district will be explained to the student and parent(s). The student and parent(s) will be requested to participate in one or more of the programs: Youth Services, Great Plains Outreach Clinic, Grady County Guidance Center or other mutually agreed upon agencies. The district will not be responsible for any financial obligations with these agencies. Following the conference with the principal or his/her designee, the principal will decide if circumstances merit a deferment of the remainder of the suspension beyond ten (10) days and a conditional early readmission of the student, if the following is completed:

1. The student must be involved in or enrolled in counseling with a counselor or agency approved by the school. Parental involvement, although not required, is strongly requested. During the period of counseling, reports are to be signed by the counselor.
2. Upon proof of compliance with number one above, the student would be readmitted on probationary status and would stay on probation as long as counseling continues. Counseling, upon successful completion, would be terminated by the counselor. A statement of release, signed by the counselor, must be submitted to the principal. Probationary status would include the student's signing and abiding by a contract stating that he/she understands that violations of school rules which would normally lead to a short-term suspension will cause probationary status to be lifted and the original suspension reinstated.

**HARASSMENT/INTIMIDATION/BULLYING/HAZING:** Threatening behavior is defined as an activity, which portrays that another person, persons, or property may or will be harmed. As used in the School Bullying Prevention Act, Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. "harassment, intimidation, and bullying" means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another person; damage another person's property; place another person in reasonable fear of harm or damage to his/her property; insult or demean any person or group in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Harassment, intimidation, and bullying include but are not limited to, gestures, verbal, written, or physical assaults. Such behavior is prohibited by board policy.

There are four (4) types of bullies characterized. They are:

1. Physical bullies who often hit, kick or shove others;
2. Verbal bullies who use words to harm others through name-calling, insulting, making racist comments or harsh teasing;
3. Relational bullies often focus on excluding one person from their peer group and usually do so through verbal threats and spreading rumors; and
4. Reactive bullies who are individuals who are often both bully and victim. Typically victims first respond to victimization with bullying behavior.

Any student exhibiting harassment, sexual inappropriate touching/gestures, hazing, intimidation and/or bullying, either verbally, in written form, or by gesture toward another student or school personnel or others on school grounds, in school vehicles, at designated school bus stops, at school sponsored activities, on Social Media, or at school sanctioned events shall be subject to the following:

This does not preclude the student's right to a hearing. It does, however, allow for the immediate removal of the child until such a reasonable time a hearing can be set (not to exceed three [3] school days).
