DIRECT ADMIT TO NURSING

Interested in studying nursing at IU Columbus next fall? The application for Direct Admission to the Nursing Program is now open. The application will close November 1st. Click here for the application under the Direct Admit drop down menu. Talk to your counselor if you need help.

COLLEGE GO WEEK!

SHS hosts representatives from colleges during SRT. Representatives share information about their college for 20-25 minutes and then take questions. It is a great way to learn more about a college you may be interested in attending. A few weeks before the visit, a Google form is posted in the Junior and Senior Google Classroom to register to attend.

Engineering – Green2Gold

Program Overview

From electronics to medicine, engineers are needed throughout many organizations and companies. Simply put, engineering is the combination of math, science, design and technology. Engineers can see the most complex product, take it apart and tell you exactly how it works. How cool is that?

Green**2**Gold is a unique partnership between Ivy Tech and Purdue University that offers an affordable local pathway to a Bachelor of Science in engineering from Purdue. Students earn an Associate of Science Degree from Ivy Tech Columbus and can then transfer to Purdue to complete any of 15 engineering degrees.

Applying to Green2Gold

The Green2Gold program at Ivy Tech has a selective admissions process, which means not all students who apply to the program will be accepted. The priority application date is **Jan. 31**.

Applicants submitting all materials by Jan. 31 will be notified of their status on or before Feb. 28. If cohort seats remain available after Feb. 28, applicants will be reviewed on a rolling basis and notified within two weeks of their application.

Program Requirements
• Full-time student with the cohort
(if dual credit classes are not applicable)

• Min. high school GPA 3.5 on 4.0 scale
• Min. 1150 on SAT or 27 on ACT
• Calculus ready
   (Purdue suggests 670 SAT math & 29 ACT math)
• A resume and 750-1,000 word essay
   explaining the desire to be an engineer
• Interviews may also be conducted

• Meet Purdue admission requirements:
- 8 semesters of math and English
- 6 semesters of lab science
     (2 semesters must be chemistry)
  - 6 semesters of social studies
  - 4 semesters of a world language
before transferring to Purdue

(Can be completed in high school or Ivy Tech)

Median Salary
$84,649

Cohorts
As a Green**2**Gold student, you take classes with the same students for your first two years at Ivy Tech. This helps build a support structure to aid in your academic success.

Affordability
Ivy Tech is the most affordable college in Indiana. In-state residents attending part-time pay **$170.07/credit hour**. In-state residents attending full-time pay **$2,455.76/semester**.

COLLEGE GO WEEK!

SHS recibe a representantes de universidades durante SRT. Los representantes comparten información sobre su universidad durante 20 a 25 minutos y luego responden preguntas. Es una excelente manera de aprender más sobre una universidad a la que podría interesarle asistir. Unas semanas antes de la visita, se publica un formulario de Google Classroom Senior y Junior para registrarse para asistir.
