# SAT UPDATES 2021

- National SAT News:
  - College Board has eliminated SAT Subject Tests and the SAT essay
  - More than half of colleges/universities in US have eliminated testing requirements for the Class of 2022.
- SHS SAT Plan:
  - Held a practice SAT exam via Zoom and had personal meetings with each student to review their score and plan.
  - Offered an in-person School Day SAT in March only for SHS students
  - Will offer the national Saturday exams in May and June (with reduced capacity)
  - Offered Lentz & Lentz SAT Prep course for a significantly reduced cost to SHS students (and waived fee for students who needed it)
  - Offered Let's Get Ready SAT Prep
  - Held two SAT registration workshops for juniors to assist with sign up
  - Advising students to still take the SAT in many cases, so that they have it as an option if they want/need to use it for college admissions.

# AP EXAMS 2021

- College Board Plan:

- Three administration options with a variety of in-person and digital options. All exams have an online option except for language exams.
- No fees for cancelled or missed exams
- Some flexibility to change students between in-person and online until close to the exam date. Make-up dates offered for all administrations.

- SHS Plan:

- Based on MCAS schedule, space available, best format/date for different subjects, and safety measures, the SHS team chose a priority date/format for each exam.
- If the priority date for a subject is in-person, families have the option to take the exam online if they prefer.
- If the priority date for a subject is online, students will take it at home. If they want/need space at SHS, we will provide it for them to take the online exam.
- Approximately 350 students signed up for 650 exams.
