

Dear Parent/Guardian,

This year your student's class will be learning about:

☐ **HIV/AIDS prevention.** Our district is using lessons from \_\_\_\_\_, which includes information about how people get HIV and how to prevent it. It stresses the importance of student-family communication and abstaining from sex.

Lessons will be given on these dates: \_\_\_\_\_

Since 1988, all Washington students in grades 5-12 must receive HIV/AIDS prevention education at least once each year (RCW [28A.230.070](#)). Parents and guardians may remove their children from these lessons with a written request after attending a district presentation about the curriculum. Students will be given other lessons.

The district presentation for parents and guardians will be held on:

Date: \_\_\_\_\_

Time: \_\_\_\_\_

Location: \_\_\_\_\_

\_\_\_\_\_  
Interpreters will be available upon request.

For more information, to request an interpreter for the parent presentation, or to request that your child(ren) be removed from lessons, please contact:
