

Dear Parents/Guardians,

This time of year brings forth reflection for all we are given. We ask children to be mindful of what they have and what they can do. We ask them to think of all that is provided to them, as we know how fortunate we are to live in such a wonderful community.

We have completed parent/teacher conferences and as always, we had a remarkable turnout. It shows how fortunate our students are to have so much support and teamwork for their educational and emotional benefit.
We are thankful for parent commitment.

During the first few months of school volunteers have enriched our lessons and helped us make connections to our community. From local fire departments, the Negaunee Elks, local Veterans, and our tremendous force of S.H.I.N.E. volunteers, our students benefit from the efforts of many.
We are thankful for our volunteers and community participation.

Lakeview staff strives to help each and every child learn to their fullest potential. When reviewing parent survey forms and looking at student growth, it is apparent that staff is giving 100% to each and every child.
We are thankful for our staff's dedication.

Finally, we would not have a school without children. Each child comes with unique and extraordinary personalities and abilities. You allow us to participate in the most important years of your child's life.
We are thankful that you share your children with us.

Happy Thanksgiving,
Mrs. Peterson & Mrs. Sandstrom

sponsored by the Steelworkers Locals
#4950 and #4974.

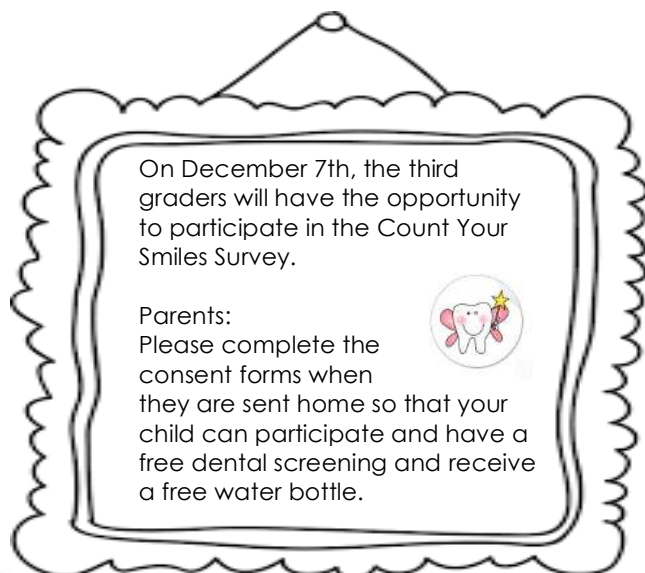

Steelworkers wish to thank ALL students
for their donations for families in need.
Through their efforts, Lakeview students
and their parents have
helped brighten the holidays of many
families!

The following classes achieved the top
three places earning them each a pizza
party provided by the Steelworkers.

Mrs. Veihl's Kindergarten Class
Ms. Koski's 2nd Grade Class
Mrs. Belanger's 4th Grade Class

Great job!

On December 7th, the third graders will have the opportunity to participate in the Count Your Smiles Survey.

Parents:
Please complete the consent forms when they are sent home so that your child can participate and have a free dental screening and receive a free water bottle.

Students' Artwork Featured

3rd Grade Weather Buddies will be on the air beginning on December 14th between 6:15 & 6:20 A.M. on TV6 News.

Mrs. Ross will send out a letter with each student one week before that student's art will be shown on the air!

The Gift of Reading

Please join with the Marquette-Alger Reading Council and help give the Gift of Reading to every child this holiday season.

The Gift of Reading began in 1988. The contributions from Marquette and Alger counties have placed over 20,000 new books into the hands of many area children and adults in need. The books will be placed in Christmas gift baskets at the Salvation Army and St. Vincent DePaul Society for needy families. Reading is the cornerstone of education. Can you think of a better gift for a child than a book?

We will be collecting new books at your child's school November 9th-December 1st.

Boxes are available by the office. (If your child brings a classroom book order home or if you are attending your child's book fair, you may want to use that opportunity to purchase a book for the Gift of Reading!)

The Marquette-Alger Reading Council (MARC) wishes you a Happy Holiday and thanks you for your continued support in literacy!

Elks Hoop Shoot Contest

The Elks Hoop Shoot, funded by the Elks National Foundation, is a free-throw contest for boys and girls ages 8 to 13. Age categories are as follows: Ages 8/9, 10/11, and 12/13. Contestants' ages are determined by their age as of April 1, 2015. The contest will be held on Sunday, December 6th at 4 P.M. in the Negaunee Middle School gym.

For more information visit www.elks.org/hoopshoot or contact Lodge #1116 Elks Hoop Shoot Director, Kevin Downey, at 869-5114.

All Lakeview Families have access to... BrainPOP & BrainPOP Jr!

BrainPOP & BrainPOP Jr. offer animated educational movies, quizzes, games, activities, and other resources for students in grades 3-12. Each of our more than 750 topics features a short animated movie starring a boy named Tim, a girl named Annie and his robot friend, Moby. Tim and Moby introduce learners to concepts in the areas of Science, Math, English, Social Studies, Health, Technology, and Arts & Music. The movies are supplemented with resources including a quiz, activities, related games, a timeline, and a selection of high-interest reading. BrainPOP resources are aligned to state content standards as well as the Common Core.
