# Commercial Photography

There are many fields of commercial photography. From taking REAL ESTATE photos, or shooting photos of WILDLIFE.

Commercial photographers are hired by clients, and shoot images for magazines, advertisements, catalogs, product packaging, and more.

They work alone or with a team of people. But the goal is always to make high quality images that will please the client.

# We are going to look at several types of Commercial Photos

- Sports
- Wildlife
- Food
- Product
- Wedding/Event
- Fashion
- (children's)
