

COMMUNITY ART

We live in Seekonk Massachusetts! This is our community.

All of our art this week
will be about
celebrating our
community of Seekonk!

What is Community Art?

Community art is often in a public place. That means it is outside for everyone to see. Community art celebrates the people, places, culture, and history of a community. What do you love about our Seekonk community?

Some examples of Community Art are murals, street art, and public sculptures!

Our Weekly Activities!

Here are our art choices this week!

1. Make art to celebrate 2020 Seekonk Seniors graduating this year and give to a graduate.
2. Make a thank you sign for essential workers and put on your front door
3. Make sidewalk chalk art about Seekonk pride
4. Make kindness rocks and plant around your neighborhood

5. Hang all your artwork in the front window to make a walking gallery for your community

6. Do a porch concert and play your instrument to make a concert for your neighbors

7. Make art about what HOME means to you.

And lastly, the funnest choice of all.....

8. Do a Ding Dong Dance Dash where you ring a friends doorbell, dance on their driveway, and dash! Show your community spirit with a little fun!

Check out these awesome videos I made! What kind of community art will you make this week?
