Computer Science Education Week

December 3-7

Computer Science Education Week (CSEdWeek) is an annual program dedicated to inspiring K-12 students to take interest in computer science.

Originally conceived by the Computing in the Core coalition, Code.org® organizes CSEdWeek as a grassroots campaign supported by 350 partners and 100,000 educators worldwide.

CSEdWeek is held in recognition of the birthday of computing pioneer Admiral Grace Murray Hopper (December 9, 1906).
