THANK YOU

Thank you to our administration for helping and supporting us in all that we do.

Thank you to Cory Baumiller for helping us set up and tear down everything in the gym, and finding us lights, carts, cords, and everything else we needed.

Thank you to Ferra Kemp for accompanying the students and working with them in rehearsals.

Thank you to all the aides who have been so helpful during class time, rehearsals, and the concert.

Thank you to the teachers for being so supportive and for giving us extra time during the school day to rehearse and record our performance.

Thank you to parents and guardians for supporting your child's education and for supporting our school.

Thank you to the students who have worked so hard to learn and perform this music. It really is a joy to work with them.

We could not have done this without all of these wonderful people!!
