

7th & 8th Grade Concession Stand Information

I have designated each parent a certain night to work in the concession stand (**seventh grade parents will work the 8th grade game and the 8th grade parents will work the 7th grade game**). If you cannot work that night, please switch with another parent on a night that works for you. If you have any questions, please e-mail me at tlathrop@tsc.k12.in.us. Eighth grade parents, please arrive at 5:15 to help set up the concession stand and stay to help until the start of the eighth grade game. If you are working the 8th grade game, please arrive at the conclusion of the 7th grade game. Your help in the concession stand is greatly appreciated.
