Other Q & A

Where do I get dropped off or park if I am a car rider?

Please drop off or park in the District parking area. Student drivers will have a designated parking area in that location. All students must enter the main entrance to the high school. The area in the front of the high school is the bus lane and cars are off-limits to this area.

What am I supposed to do if I am in the opposite cohort or a remote learner?

The synchronous schedule is instruction for students in the building that day and OUT OF THE BUILDING. This is your time to learn the concepts from your teachers.

Q & A Continued

What happens on Wednesdays?

There will not be synchronous sessions. This is time for students to get extra help/tutoring and complete tasks in their to-do list or google classroom. Teachers will be available via phone/email/Zoom to assist you/your student.

What happens if someone in the school gets COVID?

The Site Manager (Principal) will work with the District Office and Public Health to determine next steps. Contact tracing and notifications will occur based on Public Health guidance. Privacy laws and guidelines will be adhered to.

Q & A Continued

How do I...?

Each student has a homeroom teacher (home base). Your student's homeroom teacher will provide guidance on using the bathroom, refilling their water bottle, getting to lunch, etc.

Q & A Continues

What do I do as a parent if...?

Please contact the office or your student's homeroom teacher with questions.
