

How am I doing in Science?

I pass my completed work in on time 95% of the time. Yes or No with an explanation.

I pay attention in class, don't distract others and complete the required notes and work. Yes or No with an explanation..

I keep a notebook that is up to date and has all my work in it. Yes or No with an explanation.

I study for tests and quizzes a bit each day instead of cramming. Yes or No with an explanation.

My biggest weakness is:

My greatest strength is:

I need help with:

My goal for next term in Science is:

My top 3 goals for the year in general are:

My parent's expectations for my school work are:

I wish my parents understood:

My teacher could help me by: (be reasonable here!)
