Dear Parents,

Just a quick reminder that the *Connecting the Dots Expo* is fast approaching, and we are looking forward to attending. The event includes many valuable experts in the field, and agencies that will provide resources and answer any questions you may have, specific to your needs.

We encourage you to attend and if getting there is an issue, we will be offering transportation as well. Due to limited seating, we will need to know in advance of anyone that is in need of transportation to and from the event. In order to provide this service for as many people as possible, we respectfully ask that only the parent and the student in need of these services register.

We will meet at Ennis High School, 2301 Ensign Rd., at 9:00 a.m., March 4th. **Please contact me to register no later than 4:00 p.m. on Monday, February 20, 2023.** You may contact me either by telephone or email. For further information please read the attached flier.

Thank you and we look forward to seeing you on March 4, 2023 to Connect the Dots!

Sincerely,

Kim Salazar
