## CHICKENS

A CHICKEN WAS PECKING ON MY  
DOOR.  
I OPENED MY BIG BROWN DOOR.  
THE CHICKEN  
WAS ROUND, BIG, AND BLACK.  
THEN THE  
CHICKEN STARTED TO PECK ON MY  
FOOT.  
I PUT THAT CHICKEN IN MY CAGE  
AND IT  
HAD SIX CHICKS: BLUE, BROWN,  
BLACK, RED,  
GREEN, AND WHITE.  
A GUY RAN TO MY  
DOOR, AND I OPENED IT AND HE  
TOOK THEM.

## A Noise

I go outside  
And I hear a noise.  
It sounds like a  
Bird pecking on wood.  
I can't find the bird.  
I look up in the big trees.  
I see it is a woodpecker.  
It flies away.  
And in the tree there is a big hole.  
It looks like a bear's cave.

## The Frog

I went to the lake with my family.  
I saw a little green frog in the sand.  
I dropped my toy, my shovels, and  
the chair.

Then I could not find the little  
green frog.

I asked my silly sister to help me  
find the frog.

We looked in the grass and sand.  
It was not there.

Then I took a break with my sister.

We went to the lake and  
I found the little green frog.

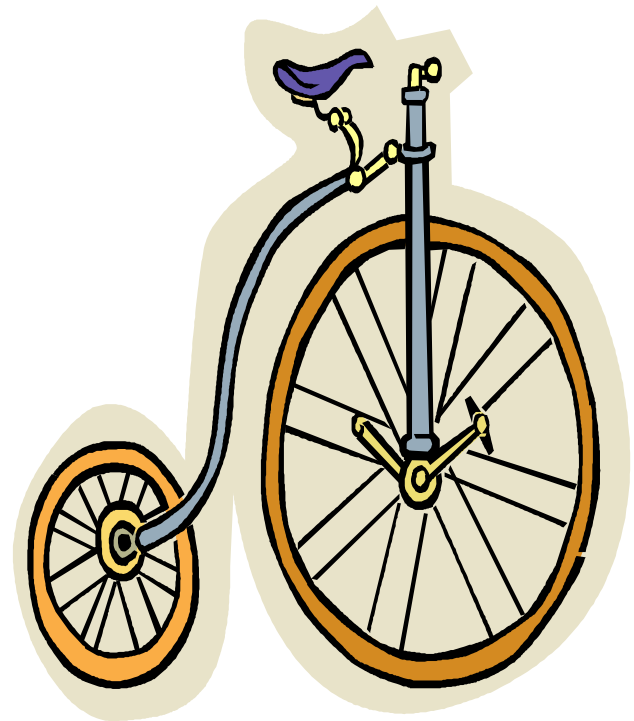

## My Bike

I have a bike that I like.

My bike is red, white, and big.

When I ride it I go fast!

WAS ADVENTUROUS.

HE WAS A VERY SMART  
SAILOR.

BUT NOT A FAILURE .

**I smelled something  
cheesy and hot.**

**I went to the kitchen  
and saw**

**hot, cheesy, pizza steaming.  
It was good!**
