

This constructed response checklist came from the Nevada Department of Education.

Constructed Response Checklist

Read and think about the following questions to help you do a good job when you are writing your answer to the constructed response question you write.

Yes or No:

- ☐ Did I think about each question I read?
- ☐ Did I use the words in the question to help me write my answer?
- ☐ Did I go back to the passage to help complete my answer?
- ☐ Did I use details to complete my answer?
- ☐ Did I complete all parts of the question?
- ☐ Did I write my answer so it is clear to other people?

Constructed Response Checklist

Read and think about the following questions to help you do a good job when you are writing your answer to the constructed response question you write.

Yes or No:

- ☐ Did I think about each question I read?
