## **GENERAL INFORMATION**

### **Cell Phone/Electronic Device Policy**

Once at school, phones should be turned off and out of sight unless used for educational purposes. Students who bring cellular phones to school will only be permitted to use them before and after school and during her/his designated lunch period in the cafeteria. At all other times cellular phones are to be turned off and stored out of view. Phones that ring, beep or are used for any type of communication (calls, text messages, cameras, music etc.) during the school day disrupt the learning environment. Remember the three R's (Remind, Referral, Remove)

### **Procedure for Handling Issues of Non-Compliance with Cell Phones/Electronic Devices**

**First Offense:** Student will receive a *reminder* about the school policy and will receive a warning to put the mobile phone/electronic device away.  
**Second Offense:** Student will be issued a *referral* for violating the policy if the cell phone/electronic device is seen or heard after the warning.  
**Third Offense:** Student will be *removed* from the classroom for violating policy and sent to the Academy Administrator.

**IF A STUDENT REFUSES TO PUT THEIR PHONE/ELECTRONIC DEVICE AWAY AT ANY TIME, THEY WILL IMMEDIATELY BE REMOVED FROM THE CLASSROOM AND SENT TO THE ADMINISTRATOR OR DESIGNEE FOR CONSEQUENCES.**

### **Electronic Devices**

Electronic and battery-operated devices including, but not limited to, laptop computers, iPods, PSPs, gaming devices, CD players, MP3 players, earbuds, radios, cellular phones, yak backs and laser lights are not permitted during instructional time unless they are approved by a teacher for an instructional activity. The Superintendent of the Long Branch School District, as approved by the Board of Education, has prohibited all students from using paging or text-messaging devices, cellular telephones or other forms of telecommunication within the school building, during the school day, on the grounds that they are a distraction to the educational process, unless the student has previously received express authorization from an Academy Administrator to use such device. Such devices should not be in use or audible in the school during the school day as that time period is defined by the administration. Students who violate this policy shall be subject to established disciplinary measures as set forth in this Handbook. Electronic devices (not including cell phones) will only be permitted during the student's assigned lunch period.

### **Responsibility for Cell Phones/Electronic Devices**

### **Recording School Activities**

**Use of any recording equipment without the written consent of the Superintendent of Schools is strictly prohibited.**

A pupil is not permitted to have turned on or use an ECRD on school grounds during the school day or when the pupil is participating in a curricular or school-sponsored co-curricular activity.

"Electronic communication and recording devices (ECRD)" includes any device with the capability to audio or video record or is capable of receiving or transmitting any type of communication between persons. An ECRD includes, but is not limited to, cameras, cellular and wireless telephones, pagers/beepers, laptop computers, electronic readers, personal digital assistants (PDAs), two-way radios, portable fax machines, video broadcasting devices, and any other device that allows a person to record and/or transmit, on either a real time or delayed basis, sound, video or still images, text, or other information.

An ECRD used in violation of this Policy will be confiscated by a school staff member, Principal, or designee and the pupil will be subject to appropriate disciplinary action.

### **Graffiti and Vandalism**

Graffiti and Vandalism are serious offenses. Students who mark on or damage school property will be required to clean and/or repair the items that they defaced. The consequence for such behavior may include suspension, expulsion, and/or police involvement. Students will not be able to participate in any extracurricular activities until any damage that is incurred is paid for.

### **Lockers**

Individual lockers are assigned to students each year. The lockers are school property therefore they may be inspected and/or searched by school administration or designated staff. School officials will seize any illegal materials that are found during locker inspection/searches. Such materials may be used as evidence against the student in disciplinary proceedings. Prior to a locker search, a student shall be notified and given an opportunity to be present at the search. If, however, the school authorities have reasonable suspicion that the locker contains material that poses a threat to the health, welfare, and safety of students in school or the school environment, a student's locker may be searched without prior warning.

1. **Students are not permitted to share lockers with other students.**
2. Lockers must be kept locked at all times and the combination should not be given to others.

#### **Forms**

Students have a responsibility to return all mandatory school forms upon request. Failure to return forms will result in loss of privileges which may include extracurricular activities.

#### **Lunch**

All lunch forms must be submitted by **September 13**. Failure to submit this form will jeopardize the following:

Any senior violating the contract will be excluded from participation in senior activities. These activities include, but are not limited to, the graduation ceremony, prom, and senior trip.

#### **Media/Publicity**

During the school year, students are often involved in programs and activities that merit recognition. The school district likes to publicize the student's participation through media types including but not limited to newspapers, television broadcasts, and other publications. In order for a student to be photographed and/or videotaped this form must be returned with a parent signature.

### **Nurse**

- **Emergency cards:** These cards are vital to ensure the safety of our students. The contact and health information is used to ensure that our students receive proper medical attention and so parents or emergency contacts can be contacted in the event of an emergency. All emergency forms must be returned by **September 13.**
- **Tylenol Consent:** This form gives permission for the school nurse to dispense Tylenol to any students to relieve minor aches and pains. This form must be returned by **September 13.**

If it is not there, then go to the library and ask the librarian to see if your belongings have been turned in. If you find books, clothing, jewelry or something else, please take the articles directly to the library.

**\*Administration is not responsible for lost or stolen personal items nor will they investigate.**

At least two fire/emergency drills are held each month. Passing instructions are posted in each classroom in the building. Students are to familiarize themselves with these directions. Students must walk rapidly and not talk so instructions may be heard. If the exit normally used has been blocked, pupils are to return quietly and use the nearest exit. Once students are out of the building, they are to move away from the outer walls and across any access areas (driveways, sidewalks) to a safe distance from the building.

### **Visitors**

All visitors to the high school should report to the Main Office immediately. Visitors will receive passes which must be visible at all times. Students are not permitted to bring guests to school for the purpose of attending classes or lunch. Visitor passes will not be granted for these purposes.

### **Right to Know**

The Long Branch Public Schools comply with PL 1997, Chapter 64, also known as "Right to Know" legislation, concerning the use and storage of certain hazardous substances in public schools.

### **Parent Conferences**

Parents may request a conference with their child's teacher at any time during the school year. Please contact your Academy Guidance Counselor for an appointment if a conference is desired. Parent-Teacher conferences will be held twice a year.

### **Library**

Our library media center (LMC) offers students a full range of electronic and print resources. Print resources include over 26, 000 books, 60 magazines, SIRS reference library, a popular paperback collection and an excellent reference collection. Electronic resources include laptop and desktop computers which may be used in the library for work processing or research purposes. Computer users may print schoolwork only and all computer users are required to use their personal log-on code. Books may be borrowed for two weeks and renewed for two more.

### **HEALTH OFFICE**

A student should come to school physically well and able to participate in class for the entire day. A student who is ill should remain at home to protect his/her own health as well as the health of others. If the student becomes ill during the day, he/she is to go to the nurse's office with a pass filled out by the classroom teacher. If a student must be sent home, a parent/guardian must be contacted by telephone before permission to leave the building is granted.

If a student needs further medical attention and has School Based Youth Services consent with a parent/guardian signature on file, he/she may be scheduled for an evaluation by our Nurse Practitioner.

### **Communicable Diseases**

The State Department of Health Regulations requires that all school children be immunized against diphtheria, pertussis (whooping cough), tetanus, measles, rubella (German measles), hepatitis, meningococcal, polio and mumps. Students not in compliance with immunization regulations may be excluded from school. School nurses and the City's Department of Health provide information on these requirements. Whenever a physician diagnoses of a designated infectious disease, it must be reported to the Long Branch Department of Health. Parents should follow the advice of their physician, as well as any requirements of the Health Department with respect to exclusion of the child from school. You must present documentation of medical release from a

physician upon returning to school.

### **Strep Throat/Scarlet Fever**

Your child may return to school after 24 hours of antibiotic treatment prescribed by a doctor. A note from a physician must be presented to the school nurse.

### **Influenza**

Keep child home from school until clinical recovery and notify the school nurse immediately. (732-229-7300 ext. 41050) The child should return to school with a note from the family physician stating that the child is allowed to return. Other school children in the family will not be excluded from the school.

### **Hearing and Vision Screening**

District policy requires hearing and vision screening for ninth and tenth graders. Faculty members refer any student, who is suspected of having a hearing or vision loss, to the school nurse.

### **Scoliosis Screening**

All students 10-18 years of age are screened bi-annually for scoliosis.

### **Physical Examinations**

District policy requires students to have periodic physical examinations as follows:

- a) Students in 10<sup>th</sup> grade
- b) Pupil Personnel referrals
- c) School-sponsored athletics
- d) New entrants

A parent, who does not want his/her child to participate in the physical examination or screenings as previously mentioned, must present their refusal in writing at the beginning of the school year to the school nurse. Parents also have the option of having physical examinations done by their own physician. A printed form by the school needs to be filled out, signed by the physician, and returned to the school.

### **Examination Results**

A written notification is sent to parents of students having suspected vision or hearing loss, suspected scoliosis, or who need attention following the medical examination. Please have your doctor sign the notification, noting what correction has been made and when. Please return the notification to school so that health records can be completed.

### **Working Papers**

Students who need working papers are required to have a physical examination. Students may schedule an appointment in the school nurse's office.

### **Medications**

Do not send any kind of medication without speaking to the school nurse first. Medication includes cough syrup, allergy medicine, aspirin, etc. All medications taken in school must have written parent or guardian permission and a doctor's note.

### **Accidents**

All accidents are to be reported to the teacher/coach and school nurse immediately. The teacher/coach and school nurse will follow established procedure for preparation of accident report forms and/or notifying the athletic office, medical department, etc.

### **Insurance Claims**

The responsibility of sending hospital and physician's statements to the insurance company rests with the parents/guardians. The following steps are recommended:

1. The parent or student reports to the Athletic Trainer or the school nurse for the necessary forms if the injury occurred participating in a school-sponsored sport or to the school nurse if the injury occurred in gym class or in any other school-related activity. The form is submitted by the parent/guardian to the Board of Education insurance carrier AFTER THE CLAIM HAS BEEN PROCESSED BY THE PARENT/GUARDIAN'S PRIVATE INSURANCE.
2. Keep copies of all forms and correspondence.
3. All claims should be made and processed as soon as possible in order to stay within the time limitation of the policy. THE SCHOOL'S COVERAGE IS SECONDARY COVERAGE. It will commence after your insurance (Blue Cross Blue Shield, Major Medical, etc.) provides the basic coverage.
4. If the parent has questions or needs help completing the form, they should contact the School Nurse or Athletic Trainer.

### **Medical Excuse/Release Procedure for Physical Education**

All students in grades 9 through 12 must take Physical Education (P.E.) for three quarters and Health for one quarter, unless removed by their guidance counselor. All students who request a medical excuse for one day and up to four days must present the nurse with a parental or doctor's note requesting such. This note must be presented to the nurse either before school, or between classes. The P.E. teachers will not allow students to leave class to obtain medical releases.

The nurse will then issue a medical release that the student must present to the teacher at the start of class. This release will excuse the student for the

participation aspect of P.E., not the preparation. All students who receive a medical release for up to four days must report to P.E. class to prepare.

If the nurse issues a medical release for five days or longer, the nurse will remove the student from P.E. class and have them placed in the library until it is time to return to class. It is the responsibility of the student to return to gym class when the medical release runs out. Any student who does not return to class on time will be treated as if he/she has not participated in class and will receive a zero for each day missed. Any students who are out on a medical excuse must complete alternative assignments to obtain their grade.

Please check with your counselor. Student-athletes are allowed to visit with the Athletic Trainer during P.E. class time with prior permission of the P.E. teacher and Trainer.

## **GRADUATION REQUIREMENTS**

Students must complete the following two requirements in order to be awarded a high school diploma.

1.) **Student must earn a minimum of 120 credits in the designated content areas.**

**The credit requirements for each content area are:**

- A minimum of twenty (20) credits in English (Languages Arts Literacy)

- A minimum of fifteen (15) credits in Social Studies including World History, United States History I and II
- A minimum of fifteen (15) credits in Science
- Five (5) credits a year in Physical Education, Health and Safety Education during each year of enrollment

## **Academic Information**

Long Branch High School is a four-year comprehensive high school containing grades 9 through 12. Students are offered a curriculum with the opportunities for college preparatory, business and career-oriented studies. The High School consists of three small learning communities; the School of Leadership (LDR); the School of Science, Technology, Engineering and Mathematics (STEM) and the School of Visual and Performing Arts (VPA). Teachers work in a collaborative environment and are committed to the learning of the students to ensure their academic success.

## **Grading System**

Full year course credit is based on four (4) marking period grades plus a mid-term and final examination grade. All grades assigned will be numeric grades.

- 92-100 Excellent
- 84-91 Good
- 77-83 Fair
- 70-76 Poor
- Below 70 Failure
- WP - Withdrawal Passing
- WF – Withdrawal Failing

## **Incompletes**

An “Incomplete” can be given during any of the four marking periods. Students have two weeks after the marking period ends to complete the work. Extenuating circumstances may warrant closer examination and additional time. If the student does not complete the make-up work by the end of the allotted time and no extenuating circumstances exist, he or she will receive a grade based on the work that was originally completed. All incompletes are subject to administrative review.

## **Grade Weighting for Advanced Courses**

Both Honors and Advanced Placement courses will be weighted. For Advanced Placement courses, a multiplier of 1.12 will be used to calculate the actual grade. For example, in an A.P. Chemistry class a grade of 90 would be multiplied by 1.12. The final grade would be a  $90 \times 1.12$  which equals 100.8. For Honors courses, a multiplier of 1.06 will be used to calculate the actual grade. For example, in an Honors Geometry class a grade of 90 would be multiplied by 1.06. The final grade would be a  $90 \times 1.06$  which equals 95.4. The weighted grade will be used to determine class rank and will appear on the final transcript.

Grades will be weighted for the following courses:

#### High Honor/Honor Roll

1. To be eligible for the Honor Roll a student must have an 84 average or above.
2. To be eligible for High Honor Roll a student must have a 92 average or above. For high Honor Roll and Honor Roll purposes the grade assigned in Honors courses will be multiplied by the same multiplier used in determining class rank.

#### Promotion

Students will be promoted based on the number of credits that they earn by the end of each school year. Students gain credits by achieving a final grade of 70 or above in the courses in which they are enrolled. Final grades are calculated by using a combination of marking period, midterm, and final exam grades.

The promotion schedule is as follows:

In order for a 9<sup>th</sup> grade student to be promoted to 10<sup>th</sup> grade, he/she must have earned a total of 25 credits.

In order for a 10<sup>th</sup> grade student to be promoted to 11<sup>th</sup> grade, he/she must have earned a total of 55 credits.

In order for an 11<sup>th</sup> grade student to be promoted to 12<sup>th</sup> grade, he/she must have earned a total of 85 credits.

In order for a 12<sup>th</sup> grade student to be eligible for graduation/ he/she must have a total of 120 credits.

**Please note: In addition to the 120 credits, the student must meet all other graduation requirements as listed on page 13 under “Graduation Requirements.”**

#### Retention

If a student does not meet the minimum number of credits at the end of the year, he/she will not be promoted until the necessary credits are earned. He/she will remain in their current grade.

#### Summer School

Summer school will be available to students who are deficient in credits due to failed courses. Students who meet the eligibility criteria and wish to make up credits in an effort to remain on target for graduation with their class may choose to enroll in summer courses. Course offerings will be based on enrollment. Students must meet the summer school criteria and complete the application (both listed below) in order to attend summer school. In the event that a student declines their approval for summer school, a parent/guardian must come in to sign off on a statement indicating that they understand the impact this may have on the student's graduation status.

#### Summer School Eligibility Criteria

##### *Attendance Rate:*

The student must have an attendance rate of 90% in the course during the regular school year.

##### *Number of Failures:*

Students who fail all four marking periods will not be eligible to attend summer school.

##### *Administrative Approval:*

Administration will review course grades and teacher recommendations/justifications to make a determination as to whether the student will benefit from summer school or repeating the class. The focus is to make sure that the students have gained the skills necessary to advance to the next level of course work.

and to pass State Mandated testing requirements for graduation and/or End of Course Assessments.

### **Summer School Application Process**

Summer School applications will be sent to the parent/guardians of all students who fail classes for the year. The application must be completed and returned to the main office by the due date specified in the letter. If applications are not returned on time, students will not be allowed to attend summer school.

### **Mid-Term and Final Exams**

Mid-term and final examinations will be taken by all students in courses which currently require exams. The grade given on a midterm and final examination is the numerical grade earned. If a student neglects to take an exam, a zero will be awarded for that exam grade. **Only seniors** that have a 92 average or better through four marking periods, with the permission of the teacher, may elect not to take the final exam.

### **Extra Help**

The following programs are available for students who need extra help with their school work:

#### **Teacher Help**

Teachers are available during the SAP period and during after school hours to provide extra assistance to students who are having difficulty making satisfactory progress. Students who desire assistance should attend SAP and/or make an appointment to meet their teacher after school. Students are encouraged to take advantage of this opportunity to assist in making progress in school.

#### **Homework Club**

Homework club is a free program for all Long Branch High School Students. Students may come to homework club to receive help on homework or tutoring. The club is staffed by certified teachers and runs Monday through Thursday 6:15-7:15 a.m. and 2:30-4:30 p.m. Monday through Thursday. All school rules apply. Any unacceptable behavior during homework club will result in removal and disciplinary action. Multiple infractions may result in permanent removal from the homework club.

### **ATTENDANCE/TARDY POLICY**

Regular attendance is expected and is a very important factor in a student's success at school.

"Chronic Absenteeism" is defined in New Jersey's ESSA State Plan as the percentage of a school's students who are not present for 10 percent or more of the days that they were enrolled in the school during the school year.

### **Absences**

Absences from school shall be defined as non-attendance in regular classes and/or assigned location for the school day. Absence from school shall be either excused or unexcused.

**Five allowable reasons for an excused absence as per the NJDOE:** A school may have a day in session that would not be counted as a day in membership for a particular student for the following reasons (New Jersey School Register, Ch.3):

- o Religious observance (N.J.A.C. 6A:32-8.3(h));
- o A college visit (up to 3 days per school year, only for students in grades 11 and 12);
- o "Take Our Children to Work Day" (pursuant to the memo issued by the Commissioner to all districts on April 25, 2017) or other rule issued by the Commissioner;
- o Participation in observance of Veterans Day (N.J.S.A. 18A: 36-13.2) or district board of election membership activities (N.J.S.A. 18A: 36-33); or
- o The closure of a busing district that prevents a student from having transportation to the receiving school.

**\*A doctor's note does not constitute an excused absence.**

**An unexcused absence** shall be defined as an absence not recognized as an allowable absence as mandated by the NJDOE (see above). Examples include, but are not limited to activities such as shopping, working, faulty private transportation, hairdresser appointments, personal prom preparations, and vacations. **If a student leaves school without permission from the nurse or the Academy Administrator they will receive a consequence for cutting and will not count as an excused absence. Additionally, absences due to being sent home for dress code violations will be considered as an unexcused absence.**

As per NJ State mandate a student with 10 (ten) consecutive unexcused absences will be removed from the rolls after a designated investigation period.

**\*A doctor's note does not constitute an excused absence.**

### **Attendance policy:**

If a student accumulates 5 unexcused **daily** absences in one marking period the student will be placed into no credit status for **all classes in his or her schedule:**

- The parents of any student who is absent for the day will be contacted via our automated phone system. It is essential that the school has all updated contact information so that contact can be made.

The following procedures will take place once a student reaches 3 unexcused absences:

- At 3 unexcused daily absences a letter will be mailed home indicating their attendance record. Parental contact will be made by the school's attendance officer or designee.
- At 5 unexcused daily absences students will be assigned Saturday Credit Recovery from 8:00 a.m. - 12:00 p.m. (Student **must** attend credit recovery to receive grades earned)
- If a student exceeds 5 unexcused daily absences, he/she must attend a Saturday Credit Recovery day for **each absence (not to exceed 6 unexcused daily absences in a marking period)** in order to obtain the grades earned. If the student does not make up the credit recovery time, he/she will automatically fail for the marking period with the grade of a 60 in all classes in his or her schedule. Please see the chart below:

Absences	Action
3 Unexcused Daily Absences	- Phone Call Home from Attendance Officer or designee - Letter Home from Attendance Officer or designee
5 Unexcused Daily Absences	- Must Attend Saturday Credit Recovery - Meet with Attendance Officer
6 Unexcused Daily Absences	- Must attend a Saturday Credit Recovery for the additional absence after 5 (not to exceed 2 Credit Recovery in a marking period)
7 Unexcused Daily Absences	-Court Complaint Signed by Attendance Officer

**Please note:** Any students who are absent from school are not allowed to participate in any extra-curricular activity including practice, games or performances unless the Academy Administrator or Lead Principal has issued a release.

#### Attendance Monitoring

Long Branch High School will use the following tools to notify parents/guardians of student absences and tardies:

##### 1. Parent/Guardian Contact

- The parents of any student who is absent for the day, will be contacted via our automated phone system. It is essential that the school has all updated contact information so that contact can be made.
- Letter sent home after 3 daily absences
- Parents will be contacted by the school attendance officer once a student reaches 5 absences and student will be assigned a credit recovery.

##### 2. Report Cards

Report cards will be mailed home at the end of each marking period. The student's attendance in each class will be listed.

##### 3. Teacher Contacts

The teacher will contact the parents/guardians of students whose attendance is negatively impacting their academic performance.

##### 4. Student Facilitator/Counselor/Attendance Officer

Parents of students, who have chronic attendance issues, will be contacted by the Attendance Officer. Extreme cases will be referred to the Long Branch Municipal Court.

##### 5. Parent Portal

Parents/Guardians of students who have access to Genesis Parent Portal can monitor their child's attendance at any time. If you need access to parent portal, please visit the district website to complete the online form.

#### Early Dismissal from School

Any student who is dismissed from the building early must have permission from their parent/guardian. The parent/guardian must pick the student up or call the main office to grant permission. Please note: calling a student out of school does not constitute an excused absence unless documentation of an approved excused absence is provided. The school will not permit any student to leave the building without making contact with the parent. In the event that a student leaves the building without permission, they will be given consequences and the parent/guardian will be contacted.

#### Tardiness

Tardiness shall be defined as not being in an assigned seat or at an assigned station by the time the bell or signal ceases. Lateness due to personal transportation and oversleeping are not considered excused tardiness.

Excused tardiness shall be defined as a tardy occurring with the approval of an Academy Administrator. Examples include, but are not limited to activities such as death in the family, school sponsored educational activity, and external activity sanctioned or approved by the Academy Administrator such as medical appointments, or court appearances.

- School begins at 7:30 a.m. The initial bell will ring at 7:20 to alert students that they may go to their locker. All students must be seated in their period A class by 7:30 a.m.
- Regular attendance is vital to your success in high school. Every effort must be made to arrive on time for school. Continued tardiness will require a conference with the Guidance Counselor and/or Attendance Officer. Further disciplinary action will be taken if the tardiness continues after the conference. The action may include but is not limited to suspension from all extra-curricular activities.
- Students entering after 7:30 must sign in at the post in the designated area. Failure to sign in will result in an unexcused absence from the class.
- Students arriving later than 8:00 a.m. must enter through the main office and sign in at the front desk.

### Consequences

Period A Tardy Policy:

- Any student who accumulates **16 or more unexcused tardies** in a marking period for a period A class **will receive an automatic grade of “60” in both period A classes.**
- The number of student tardies accumulated which result in a violation of the Period A Tardy policy will be enforced separately from the current student absence policy.

Tardy to Class Periods B through E:

- Tardy to class (less than 44 minutes to a 88 minute class; 22 minutes to a 44 minute class):
- First and second tardies will result in a **teacher detention** to be served within 24 hours.
- Three or more tardies will result in an **extended detention** to be served each time thereafter within 24 hours (Teacher will write a discipline referral).
- Students who are tardy to class must serve the detention prior to participating in any extra-curricular or athletic activity.
- Failure to comply will result in suspension from all extra-curricular activities and loss of senior privileges as determined by Academy Administrator.

Tardy to Class (more than 44 minutes; 22 minutes):

- Each time a student is tardy greater than 47 minutes to a block class that student will receive a half absence.
- Each time a student is tardy greater than 23 minutes to a skinny class that student will receive a half absence.
- Two half absences as explained above for any class will be considered one (1) class absence for attendance purposes.

### CREDIT RECOVERY FOR STUDENT ABSENCES

- At 5 daily absences students will be assigned Saturday Credit Recovery from 8:00 a.m. - 12:00 p.m. (Student **must** attend credit recovery to receive grades earned)
- If a student exceeds 5 daily absences, he/she must attend a Saturday Credit Recovery day for **each absence (not to exceed 6 daily absences in a marking period)** in order to obtain the grades earned. If the student does not make up the credit recovery time, he/she will automatically fail for the marking period with the grade of a 60 in all classes in his or her schedule. Please see the chart below:

It is the intent of Long Branch High School to prepare students for academic success beyond high school. In order to meet this goal it is imperative that students are aware and have knowledge of the definition of plagiarism. The definition and guidelines below are intended to help the students and staff meet the aforementioned objective.

#### **Definition**

- To steal and pass off (the ideas, words and/or images of another) as one's own.
- To use (a created product) without crediting the source.

*Webster's Collegiate Dictionary, 10th ed., 1993 14*

- Any facts, statistics, graphs, drawings-any pieces of
- Information-that are not common knowledge
- Quotations of another person's actual spoken or written words, or

### **Plagiarism the Internet and Electronic Sources**

The Internet has become a more popular source of information for student papers, and many questions have arisen about how to avoid plagiarizing these sources. In most cases, the same rules apply as to a printed source: when a writer must refer to ideas or quote a www site, he/she must cite the source.

**Harassment/Hazing, Intimidation or Bullying** -The Board of Education, in accordance with the Anti-Bullying Bill of Rights Act of 2011, prohibits acts of harassment, intimidation, or bullying of a pupil. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe and disciplined environment. Since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation or bullying.

"Harassment, intimidation, or bullying" means any gesture, any written, verbal, or physical act, or any electronic communication, as defined in N.J.S.A18A:37-14, whether it be a single incident or a series of incidents that:

- Is reasonably perceived and being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical, or sensory disability; or
- By any other distinguishing characteristic; and that
- Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A 18A:37-15.3, that substantially disrupts or interferes with the orderly operation of the school or the rights of other pupils; and that
- A reasonable person should know, under circumstances, that the act(s) will have the effect of physically or emotionally harming a pupil or damaging the pupil's property, or placing a pupil in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; or
- Has the effect of insulting or demeaning any pupil or group of pupils; or
- Creates a hostile educational environment for the pupil by interfering with a pupil's education or by severely or pervasively causing physical or emotional harm to the pupil.

Each incident will be handled individually per Long Branch Board of Education Policy. To view the Long Branch Public School Anti-Bullying Policy in its entirety, please visit the district website @ <http://www.longbranch.k12.nj.us>.

### **Dating Violence at School**

The Long Branch Board of Education believes a safe and civil environment in school is necessary for children to learn. A pupil who is a victim of dating violence suffers academically and the pupil's safety at school is jeopardized. Acts or incidents of dating violence at school whether they are verbal, sexual, physical or emotional will not be tolerated and will be dealt with in accordance with the school's pupil code of conduct and The Long Branch Board of Education's Dating Violence at School Policy.

**Sexual Harassment** – Long Branch Public Schools will not tolerate any form of sexual harassment. Any student who engages in sexual harassment of another student or school employee will be subject to suspension from school, a parental conference, and may have criminal charges filed against him/her on behalf of the offended student(s) or school employee. Examples of student sexual harassment include but are not limited to such acts as remarks or sexual graffiti, sexual jokes and catcalls of sexual nature, or acts of physical abuse. Each incident will be handled individually per Long Branch Board of Education Policy.

### **Zero Tolerance for Possession or Use of Weapons**

Any student who is found to be in possession of a firearm (whether operative or not) on school property, on a school bus, or at a school sponsored function or found committing a crime while possessing a firearm or who is convicted or found to be delinquent for a firearm offense shall be immediately removed from the school's regular education program for a period of not less than one calendar year and placed in an alternative education school or program pending an expulsion hearing before the Long Branch Board of Education.

Any student who assaults a student, teacher, Administrator, Board of Education member, or other school district employee with or without a weapon and/or possesses a firearm on school property, a school bus, or at a school-sponsored function shall be immediately removed from the school's regular education program for a period of not less than one calendar year and placed in an alternative education school or program pending an expulsion hearing before the Long Branch Board of Education.

### **Demerit System:**

Students are encouraged to be respectful and follow the rules at all times. However, for those students who do not follow school rules, a demerit system is used to track disciplinary infractions. Students should realize that participating in the infractions listed in the discipline/behavior chart will be assigned the number of demerits listed with the infraction.

In the event that an incident does not clearly fall into the above categories, the Academy Administrator reserves the right to interpret the code and adjust the demerit points. Drugs, weapons, and assaults on staff are specifically addressed in the school policy and state law.

As part of this policy, a demerit limit has been established per marking period as a determination of eligibility in all Long Branch High School events and activities. At each demerit level, all of the following interventions listed below can take place:

MP 1	MP2	MP3	MP4
8	16	24	32

- Will result in student removal from:
  - Extra-curricular activities
  - Organizations
  - Teams
  - Trips
  - Honor Society
  - Potential removal from elected office
  - Special events including but not limited to:
    - Junior prom
    - Senior prom
    - Senior breakfast
    - Graduation
    - After-school events
- Letter sent home
- Parent meeting with the Academy Administrator or his/her designee

- If applicable, removal from end-of-year activities, up to and including:
  - Junior prom
  - Senior prom
  - Senior trip
  - Senior breakfast
  - Graduation

#### **Demerit Removal Activities:**

Students may have demerits removed if they exhibit exceptional behavior for a specified period of time. In addition, students have the opportunity to have their demerits removed if they choose to take part in community service activities. The following outlines demerit removal activities:

Activity:	Number of Demerits Removed:
The student exhibits good behavior by not receiving any demerits for two full weeks*	2 demerits
The student takes part in school sponsored community service (minimum 1 hour)	1 demerit
The student takes part in a school sponsored community service event over the weekend (minimum 4 hours)	4 demerits
The student takes part in an administrator approved community service event (minimum 1 hour)**	1 demerit

The student takes part in an administrator approved community service weekend event (minimum 4 hours)**	4 demerits
---	------------

\*A form (signed by an administrator) will be required for each student prior to participation in a community service project. If the project is not approved, students cannot be expected to be given credit. A list of suggested community service projects will be available with each administrator. However, if a student does not have demerits, points will not be credited toward future demerits. In addition, students who complete pre-approved community service will have one demerit removed for each hour of service.

\*\* A student cannot receive more than 4 points of credit for community service during any given month.

\*\*\* Points cannot be banked. For example, a student with “0” demerits, while always encouraged to follow all school rules, policies, and procedures, as well as participate in community service programs, may not accumulate points towards future demerits.

\*\*\*\* Removal of demerits is at the sole discretion of the Building Principal, Academy Administrator, or their designees. Certain violations of the conduct policy and/or repeated violations may be classified as too egregious to be eligible for the removal of demerits.

## **APPEAL PROCESS**

Students and parents or guardians are granted the right to appeal or make their concerns known and have them considered and disposed of fairly by using the regular chain of command within the school in the following order:

- The student or parent may schedule a conference with the appropriate Academy Principal to discuss their concern.
- If this does not result in a satisfactory resolution, the parent or guardian or student may file a written appeal with the Lead Principal.
  - The appeal must be filed within five school days. Failure to submit an appeal within the five days shall constitute acceptance of the decision at the first level of the appeal.
  - After receiving the written appeal, the principal will review the matter and conference with all involved parties. The principal will then render a fair decision based on all the information presented.
- If this does not result in a satisfactory resolution, the Lead Principal will refer the matter to the next step in the appeal process.
- All consequences assigned to the student must be served while the appeal request is being reviewed.

A written summary, including final disposition and decisions, shall be maintained at each level of the appeal process and forwarded to:

- The student’s file.
- The next step of the appeal process.

**Note: The Board of Education and the Administration recognize that it is impossible to develop regulations for every situation that requires discipline. For this reason, the Board of Education authorizes the principal and his designee to use appropriate measures to manage any situation not specifically identified in this handbook or in the board of education policy. The Principal, Administrators and staff will exercise a fairness and sound judgment when dealing with these types of situations.**

**The Administration reserves the right to assign discipline for any situation not specifically covered in this handbook. In addition, the Administration also reserves the right to make modifications to existing circumstances when it deems those modifications are appropriate. ALL SUSPENSIONS OF TEN DAYS OR LESS CANNOT BE APPEALED BEYOND THE BUILDING PRINCIPAL WHOSE DECISION IS FINAL.**

## **GRIEVANCES**

Student grievances generally involve one of three categories:

Academic matters; disciplinary action; and student social, physical or operational conditions.

### **ACADEMIC**

If a student (or a group of students) feels he/she is not being treated fairly with respect to academic matters, such as scheduling, examinations, marks, etc., and if he/she cannot resolve the questions himself with the faculty member involved, he/she may ask his/her parents to come school to attempt to resolve the matter.

### **DISCIPLINARY**

If a student feels that disciplinary action applied to him/her is unfair, he/she may file a written request with the Academy Administrator, requesting a review of the action.

### **SOCIAL, PHYSICAL OR OPERATIONAL**

If a student (or group of students) feels that a particular social, physical or operational condition in the school be modified or provided, he/she may contact the Student Council in one of the following ways: through his representative to the Student Council through the High School Academy Administrator.

A time interval shall be applied to each step in this procedure. At the High School, a time limit of 5 school days will be applied to each step in this procedure. At higher levels, appropriate time intervals shall be applied to each step in this procedure. All grievances or appeals related to school matters (i.e. discipline, academics, and attendance records) must be handled in the following order:

1. Academy Administrator
2. Lead Principal
3. Assistant Superintendent of Schools
4. Superintendent of Schools

## **GUIDANCE**

Students are assigned a guidance counselor through their academy when they enter high school. The guidance counselor will provide students and parents assistance with sequential developmental programs with emphasis given to the academic, career, and personal needs of the individual student. Meetings will be held each year to plan course selections for the upcoming year and to provide the opportunity to discuss advanced education, career interests, test score interpretation and other topics of interest.

#### **Scheduling an Appointment with your Guidance Counselor**

A student who wishes to schedule an appointment with a guidance counselor may sign the Guidance Appointment Book located in each counselor's office before school, after school, or during their lunch shift. The counselor will notify the student of the date and time of their appointment. Students may not leave class to schedule an appointment.

#### **College & Career Planning**

Students are encouraged to seek guidance from their counselors to assist with career planning, the college search, the college & financial aid application process, and the college admissions process. Group and individual conferences will be held throughout the year. Schedule an appointment with your counselor immediately if you need individual assistance.

#### **Guidance Information**

Updated information concerning graduation requirements, college visits, scholarships, assessment dates and other pertinent information can be found by visiting the guidance webpage at [www.longbranch.k12.nj.us](http://www.longbranch.k12.nj.us).

#### **Vocational School**

For the student who is considering applying to the Monmouth County Vocational School District in their junior and/or senior year, certain graduation course requirements must be completed by the end of your sophomore year in order to qualify. The student should successfully complete elective credits in a World Language course, VPA course, and Economics course to be eligible to apply in addition to their regular core courses. Please note that failing any course in your freshman or sophomore years may prevent you from attending vocational school. More information about the vocational programs offered can be found at [www.mcvsd.org](http://www.mcvsd.org).

#### **College Entrance Examinations**

Many highly competitive colleges require students to take the SATs and/or ACTs to qualify for admission to their school. Colleges may be specific about which tests to take, so do your research with you counselor and/or online at your college's website. Students who wish to consider top schools will need to look up admissions requirements for each school to determine which tests are needed. Any student who plans on applying to a college as an "early decision" candidate needs to be sure to complete all testing before the early decision deadline.

#### **Scheduling**

Counselors will begin meeting with students in February to select courses for the upcoming school year. The Long Branch High School Program of Studies contains information for students and parents to reference containing approved courses, course descriptions, credit values, and prerequisites. While selecting courses, it should be noted that certain elective courses fulfill a state-mandated graduation requirement. Students are encouraged to fulfill such graduation requirements as early in their high school careers as possible, thereby providing as much flexibility as possible during their junior and senior years. Courses may only be repeated if a student failed the course in the previous year and did not attend summer school. A student that has completed a sequence of courses in a subject and wishes to continue their learning in the next level course not offered at Long Branch High School should see their counselor for options. Students may not move backwards in a course sequence once they have demonstrated mastery in a higher level course. For example, a student that has completed Spanish III and Spanish IV in their 9th and 10th grade year may not take Spanish I in their 11th grade year.

#### **Changing or Dropping Courses**

**Please note: No schedule changes will be granted after September 13, 2019 without a Schedule Change Form signed by the student's parent and administrative approval (Principal and Director of Guidance). Please review the schedule change procedures before submitting a request form.**

##### **Procedures for Requesting a Schedule Change**

A parent may request a schedule change after the September 13, 2019 deadline (full year courses) or the February 7, 2020 deadline (half year courses) for administrative approval by submitting a Request for Schedule Change Form to the Guidance Counselor. Changes to a student's schedule after the deadline will only be approved for extenuating circumstances. Any schedule changes made after the deadline could result in a failed grade for the marking period and might adversely affect determining National Honor Society, class rank, and athletic eligibility. It may also result in loss of credits.

In the event of extenuating circumstances, the parent will submit a Request for Schedule Change Form found on the guidance webpage at [www.longbranch.k12.nj.us](http://www.longbranch.k12.nj.us) to the Guidance Counselor. Once the request is reviewed, a conference will be held with the student, parent, teacher, counselor, director of guidance, and principal when necessary. The principal must approve all changes. Any approved schedule change request after the 1st marking period will appear on a student's transcript as Withdraw Pass (WP) or Withdraw Fail (WF).

##### **Examples Extenuating Circumstances**

An example of extenuating circumstances would be a medical issue that would necessitate a change to a student's schedule in the interest of their personal health and well-being. Documentation from the student's physician would be required prior to adjusting a student's schedule.

##### **Examples of Schedule Change Denials**

Examples of requests that are made for non-compelling reasons are a change of mind, lack of motivation, failure to seek extra help/tutoring, unsatisfactory academic performance, medical reasons not documented by a physician, request for different teacher, or requests to change periods.

##### **Course Change Request**

Prior to requesting removal from a course with the principal's approval after the deadline, the student and parent must have a conference with the teacher to put a plan for success in place. If the teacher and the student can demonstrate that the plan has been followed, the student has completed all assignments, and made an effort to seek all additional help available, a request may be made for a conference to discuss removal from the course. The request can be made by submitting the Request for Schedule Change Form.

##### **Dropping Down From: AP to Honors; Or Honors to a Regular Section**

Students may drop down from an honors section to a regular section of a course only after the first quarter of a new semester. At the end of the first term of the course, students may drop down with administrative approval if they have a grade of "D" or lower in the higher-level class and a plan for success was put in place & completed prior to submitting the request. The student may only drop down to a lower section of the same course. The student's grade in the lower section class

will be determined by combining the grades earned in both the higher level and lower level class. The principal's approval is required for this schedule change to be processed.

### **Course Failures**

Should a student fail a required subject(s), it is the student's responsibility to discuss the failure with his/her guidance counselor and select one of the following options:

1. Repeat the subject(s).
2. Attend summer school (pending school offerings and administrative approval).

### **Working Papers**

Pupils under eighteen years old must obtain working papers if they wish to work after school hours, on weekends or on vacation. Applications for working papers may be obtained from the Main Office before and after school on any day school is in session. Completed applications are to be returned to the Main Office for processing. Students receiving working papers for the first time must show their birth certificate and provide proof of a physical examination.

### **Pupil Personnel Services**

The Long Branch Public School provides a broad range of individualized programs for educationally handicapped students. Special Education classes, resource centers, and related services are available at the elementary and secondary levels. Inquiries of admission to these classes or any information regarding the Special Education programs should be made to the office of Pupil Personnel Services, 540 Broadway, Long Branch, NJ, (732) 571-2018. Also, parents are welcome to attend the Special Education Parent Organization, a parent support group that offers program information and provides an opportunity for parents to participate in the planning and provision of Special Education services.

### **Student Files**

The Child Study Team files for classified students are assembled and located at the Pupil Personnel Office. Copies of IEP's (Individualized Education Plan) are also located in each school's Main Office. The Long Branch School District permits parents, adult students and/or their authorized representatives to inspect and review any student records related to that student which have been collected, maintained or used by the district. In addition, the district will respond within ten (10) days of the parent/adult student's request to inspect and review records and, upon request, the district will provide explanations and interpretations of the records by a certified staff member. The health files, located in the school nurse's office, contain the following information: immunization records, health records, and results of physical examinations.

### **Withdrawal from School**

A student who wishes to withdraw from school before the end of the school year must establish an appointment with his guidance counselor and his parents. If, after the conference, the student, with parental permission, still wishes to withdraw from school, the student must return all books and supplies and pay for any lost or damaged books or any other obligations. A student must complete both semesters of a full-year course in order to receive credit. Board of Education policy requires that requests to leave school to go to work before the closing date will not be honored.

### **Junior Reserve Officer's Training Corps (JROTC)**

JROTC is not a recruitment program for the Air Force. Participation in JROTC incurs no obligation toward military service. Our mission is to build better citizens, not to steer student toward enlistment. The JROTC program is designed to teach high school students the value of citizenship, leadership, service to the community, personal responsibility and a sense of accomplishment, while instilling self-esteem, teamwork and self-discipline. The focus is reflected in its mission statement, "TO MOTIVATE YOUNG PEOPLE TO BE BETTER CITIZENS". This program prepares high school students for responsible leadership roles while making them aware of their rights, responsibilities and privileges as American citizens. The program is a stimulus for promoting graduation from high school and it provides instruction and rewarding opportunities that will benefit the student and the community.

### **College Entrance Exams**

Many highly competitive colleges require students to take the SATs and/or ACTs to qualify for admission to their school. Colleges may be specific about which tests to take, so do your research with you counselor and/or online at your college's website. Students who wish to consider top schools will need to look up admissions requirements for each school to determine which tests are needed. Any student who plans on applying to a college as an "early decision" candidate needs to be sure to complete all testing before the early decision deadline. All 11th graders will take a free administration of the PSAT in October and a free administration of the SAT in April. All 10th graders will take a free administration of the PSAT in February.

#### **Non-Athletic Academic Eligibility**

- The Chess Club
- The Dance Club
- The Forensics Team
- Junior Class Officers
- Senior Class Officers
- Student Council Officers

#### **Academic Priority**

Teacher detention, extra help, or test make-up will take priority over participation in an athletic or non-athletic activity or practice.

### **ATHLETICS**

#### **Academic Eligibility**

The New Jersey Interscholastic Athletic Association Rules and Regulations regarding eligibility are mandatory. In addition, the Long Branch School District's Board of Education has adopted the following guidelines for students participating in high school athletics.

- There are higher standards set forth by the Long Branch Athletic Department and approved by the Long Branch Board of Education that state: any student athlete who fails to achieve passing status in any one course during any marking period within their athletic season will be removed from their perspective team roster and will not be eligible to receive any award for that athletic season.

A student-athlete in his/her first semester of 9<sup>th</sup> grade will automatically be eligible for the fall and winter seasons. Returning student-athletes are required to achieve 30 credits from the prior school year to participate in the fall and winter season. To be eligible for the spring season, all student-athletes must have obtained 15 credits at the end of the first semester of the school year..

These academic requirements will apply to all cheerleaders, student managers, student trainers, and athletes. Additional information regarding eligibility can be obtained upon request from the building principal or athletic administrator.

#### **Age Eligibility**

A student cannot participate if he/she has reached the age of 19 prior to September 1<sup>st</sup> of the upcoming school year. A 9<sup>th</sup> grade student cannot reach the age of 16 prior to September 1<sup>st</sup> going into his freshman year.

### **Attendance Eligibility**

In order for a student to participate in a scheduled athletic event, practice, or school function, he/she must be in school on the day of the event, (no later than period A) or the last day of school prior to a vacation or a Saturday event. An excuse from a doctor or prior written approval from the athletic administrator is the only VALID excuse. Excessive absenteeism, tardiness, and cutting classes will not be tolerated. These offenses justify removal from a team with consent of the building principal and/or the athletic administrator.

### **Academic Probation**

As stated in our parent/student handbook, all students must be passing in all subject areas with a minimum grade average of 77% to fully participate in extracurricular activities without academic interventions implemented by the Officer of Student Affairs.

### **Athletic Equipment Accountability**

Athletic equipment used by student participants must be returned or paid for at the end of the sport season and prior to the issuance of any awards or recognition. Equipment will not be issued and/or physicals will not be given for any upcoming season until all equipment accounts are cleared from the preceding season.

### **Senior Award Ceremony**

### **Conduct**

As an athlete, pride in your school, team and yourself is all part of good sportsmanship. Your pride is reflected in your personal conduct. Student athletes will not violate the rules of common decency with each other. They shall respect the authority of coaches and other school staff and shall conform to requests made by them. The athletic playing fields are an extension of the classroom and all the same rules apply. Be respectful and responsible.

In addition, an athlete's appearance should be a matter of pride, which means cleanliness and neatness in dress and equipment. Student athletes are expected to dress properly when representing their team and school at any athletic or academic function.

### **Causes for Suspension from Athletic/Extracurricular Teams/Activities**

To be eligible, a student must have an acceptable academic, citizenship, and disciplinary record. Gambling, stealing, the use of tobacco (in any form), possession, sale, and use of drugs (including steroids), and/or alcoholic beverages are prohibited and will be disciplined as follows:

- A. A first offense violator shall be suspended from playing for a period of at least one-week, with a mandatory counseling session to remediate the behavior. This will include all games and practices.
- B. Additional offenses for the same violation listed above will result in his/her dismissal for the remaining part of the season, with a mandatory counseling session to remediate the behavior.
- C. In addition, the Student Handbook and Board Policies, clearly detail all aspects of drug, alcohol, substance use and abuse, including other sanctions.

Suspensions are at the discretion of the coach and the athletic administrator. Violations include, but are not limited to, insubordination, profanity, fighting, unsportsmanlike conduct and unexcused absence from practice, unsatisfactory attitude, and a failure to follow any additional rules and regulations that the coach deems necessary to maintain discipline and facilitate the efficient execution of daily procedures. Imposed suspensions in excess of one week require consultation with the athletic administrator. Parental notification by the coach involved will be required in all cases of suspension. Discipline referrals and school suspensions are justification for suspension or removal from a team. Additional suspensions from the school administration can be and will be added on to NJSIAA and Shore Conference infractions.

### **Conflicting Activities During Sport Season**

Prior to the start of any season, an athlete must realize his/her obligation to the team and refrain from scheduling any conflicting activity during that season. That student-athlete will be held accountable for the time missed from the team.

### **Injuries**

Any athlete who sustains an injury during a school-related athletic activity must report it to his/her coach **IMMEDIATELY**, who in turn will report it to the district athletic trainer. The athletic trainer will then be responsible for providing this information to the school nurse and athletic administrator. If any injury occurs outside of school, it must be reported to the coach prior to the athlete's next practice or game.

### **Athletic Trainer Visitation**

Visitation is permitted during the student-athlete's lunch shift but needs to be scheduled with the athletic trainer prior to the appointment.

### **Transportation to and from Athletic Events**

All student-athletes must use Long Branch School District provided transportation to and from all away games. No student-athlete is permitted to use personal transportation. Official school transportation will be provided, originating at the school and returning back to the school.

### **HOW YOU CAN HELP YOUR STUDENT-ATHLETE**

- NCAA DIVISION I requires 10 of the 16 core courses must be completed before the seventh semester (Senior Year) of high school. These 10 courses become “LOCKED IN” and can not be retaken for grade improvement.
- Ensure the school counselors update the school’s list of NCAA courses annually. If you are new to the process or need a refresher, Go to the resources page on the high school portal in the Eligibility Center website. There is a section on how and when to update your school’s list, which will help you through the process.
- Ensure that your high school counselors send transcripts for registered students. Information regarding transcripts (Including E-Transcripts) may be found on the resources page.
  - 1. Registered juniors who have completed three years (six semesters); and
  - 2. Graduated seniors
- For Division 1 the minimum GPA in the 16 core courses and required ACT or SAT score vary according to the Initial Eligibility

### **OTHER IMPORTANT INFORMATION**

- SAT and ACT scores must be reported directly to the Eligibility Center from the testing agency. Scores on transcripts

will not be used.

- Students enrolling at an NCAA Division I or II institution for the first time need to also complete the amateurism questionnaire through the Eligibility Center website. Students need to request final amateurism certification prior to enrollment.
