# **Ownership vs. Collective Good**

such principles and arguments  
established should not be changed for light  
ourselves by abolishing the forms to  
der absolute Despotism; it is to  
colonies; and final  
juries and

**WE THE PEOPLE**  
insure domestic Tranquillity, provide for the common  
and our Posterity, do ordain and establish this Con-

From the US Constitution:

Congress is empowered:

“To promote the Progress of  
Science and useful Arts, by  
securing for limited Times to  
Authors and Inventors the  
exclusive Right to their  
respective Writings and  
Discoveries.”

Intellectual Property law  
grows from this clause in  
the Constitution

## **Copyright Basics**

- What is it?
- How does copyright affect you as a creator?

**02**

## **Public Domain**

- What is it?
- How does something qualify as being within the public domain?

**03**

## **Royalty Free & Creative Commons**

- What does royalty free mean?
- What is Creative Commons?
- What do you need to know as a creator?

**04**

## **Fair Use**

- What is it?
- How do you prove Fair Use?

What do you already know?

# What do these words have in common?

These rights protect intellectual properties; however, they focus on different areas.

## © Copyright

- literary works
- musical works
- dramatic works
- pantomimed and choreographed works
- pictorial, graphics, and sculptural works
- motion pictures and audiovisual works
- sound recordings
- software

## • Patents

- to make, sell, or use an invention or process.

## ™ Trademark

- A name, symbol, or other device identifying a product, officially registered and legally restricted to the use of the owner or manufacturer.

**Copyright**

01  
COPYRIGHT

# What is Copyright?

- **A right granted by US law that gives an author or creator sole control over how their work is used**
- This includes allowing others to:
  - Reproduce all or part of the work
  - Distribute copies
  - Prepare new (derivative) versions based on the original work
  - Perform and display the work publicly

# What is Copyright?

- Copyright protection for anything created after 1/1/1978 lasts for **70 years after the death of the author** → After this, it falls into **public domain**
- Copyright protection begins the moment the work is created, but legal action can only be taken against copyright infringement if the copyright has been registered at the Copyright Office in Washington, D.C.

# Copyright Violations

- Copyright infringement is **when someone uses a copyrighted work without permission from whoever holds the copyright.**
- If the copyright holder decides to take legal action possible outcomes could include having hefty fines or even jail time.
  - Infringer pays the damages and lost profits.
  - The Court can assign an additional financial penalty from \$200 to \$150,000 for each work infringed.
  - Infringer pays for all attorneys fees and court costs—both his own and those of the copyright holder.
  - The Court can issue an injunction to stop the infringing acts.
  - The Court can impound the illegal works.
  - The infringer can go to jail.

02

**Public Domain**

02

**PUBLIC DOMAIN**

# Public Domain

- **Public domain refers to materials that are not protected by copyright.**
- Anyone can use a public domain work without permission, but no one can ever own it.
- Generally, **all works published in the US prior to 1927** fall into Public Domain.

<https://web.law.duke.edu/cspd/publicdomainday/2022/>

# Public Domain

Items that are in the Public Domain include:

- Works that are prepared by an employee of the federal government as part of his or her official duties.
- In the US, other works are protected by copyright for the duration of the creator's life plus 70 years.
- Expired Copyright
- Copyright owner fails to follow renewal laws
- Deliberately placed into public domain by author
- The type of work is not covered by copyright law.

# Comparisons

## Public Domain

No restrictions. No copyright claim to the work. Use it as you see fit.

It is wise to cite the item and its creator in order to demonstrate that this is a work in the public domain.

## Royalty Free

Significant restrictions. User will purchase a license to use the item. “Royalty Free” indicates that you don’t need to pay an additional fee each time you use the item each time. Although, in some cases, you would need to get another license for use in an additional project.

## Creative Commons

(More on this in a minute)

Creator has released their work with a license that clarifies how other users may use the work in their own creations.

# Creative Commons Options

## ATTRIBUTION

OTHERS CAN COPY, DISTRIBUTE, DISPLAY, PERFORM AND REMIX THE WORK IF THEY CREDIT THE CREATOR'S NAME AS REQUESTED BY THE CREATOR.

## NO DERIVATIVE WORKS

OTHERS CAN ONLY COPY, DISTRIBUTE, DISPLAY, OR PERFORM VERBATIM COPIES OF THE CREATOR'S WORK.

## SHARE ALIKE

OTHERS CAN DISTRIBUTE THE CREATOR'S WORK ONLY UNDER A LICENSE IDENTICAL TO THE ONE THE CREATOR HAS CHOSEN FOR THEIR WORK.

## NON COMMERCIAL

OTHERS CAN COPY, DISTRIBUTE, DISPLAY, PERFORM AND REMIX THE CREATOR'S WORK BUT FOR NON-COMMERICAL PURPOSES ONLY.

Four options for a CC license, the author can mix and match one or more together.

- Attribution
- No Derivative Works
- Share Alike
- Non Commercial

# Creative Commons Options

## Music:

- Mixer: <http://www.ccmixer.org>
- Jamendo: <http://www.jamendo.com/en/>

# Everything is a Remix

How to copy media legally

“Everything is a Remix” -- Kirby Ferguson (6:13) -- <https://www.youtube.com/watch?v=vTLQ4h4yKSk>

# Fair Use

- **Fair Use** is a part of US Copyright law that provides limited use of copyrighted work, without requiring permission from the right holders as long as the use is “transformative”
  - **Criticism & Commentary**
  - **News Reporting**
  - **Research**
  - **Nonprofit Educational Use**
  - **Parody**

**“Fair Use”** allows use of copyrighted materials to be used for certain purposes.

There are six Best Practices, developed by the Center for Social Media of American University, to be used to determine use of intellectual property for video production.

# Instructions for use (free users)

In order to use this template, you must credit [Slidesgo](#) by keeping the Thanks slide.

## You are allowed to:

- Modify this template.
- Use it for both personal and commercial purposes.

## You are not allowed to:

- Sublicense, sell or rent any of Slidesgo Content (or a modified version of Slidesgo Content).
- Distribute this Slidesgo Template (or a modified version of this Slidesgo Template) or include it in a database or in any other product or service that offers downloadable images, icons or presentations that may be subject to distribution or resale.
- Use any of the elements that are part of this Slidesgo Template in an isolated and separated way from this Template.
- Delete the “Thanks” or “Credits” slide.
- Register any of the elements that are part of this template as a trademark or logo, or register it as a work in an intellectual property registry or similar.

For more information about editing slides, please read our FAQs or visit Slidesgo School:
