**in your child's classroom.**

---

**REMINDER!**

The end of the school year is an extremely busy time. Please help us keep things going smoothly the final days of school by remembering the following information found on page 31 of the Central Elementary Family handbook:

**Parents should call the office before 1:30 p.m.** if your child is not to follow his/her regular routine. Messages called in at the end of the day are difficult to get to the student. If you need to contact your child's teacher, the best time is before or after school.

---

**Reminder: Field Trips are a Privilege**

The end of the school year is fast approaching. Many of the teachers have outside of the classroom experiences and field trips planned. Be mindful that these opportunities are privileges and must be earned by students based on behavior and class participation. During the time period beginning May 1st, through the remainder of the school year, students will be required as always to do their very best. Students whose behaviors disrupt the learning of other children will receive consequences in the form of Behavior Infraction Reports or District Code of Consequences. Any student receiving 2 or more of the above consequences for the remainder of the school year will not be participating with their classmates in these out of the classroom activities. Please make every effort to be a respectful, responsible and safe classmate! Thank you!!!

**Please Keep Contact Information Updated**

**If you have a new phone number or an address change,  
please notify the school office at 333-3220, ext. 0. Thank you!**
