Poet Never Satisfied

This is what it means to be Never Satisfied:

They say bioproducts and agriculture aren't a solution to the climate crisis.

They say we can't change the world.

At POET, we're proving them wrong every day.

The world is full of people who will tell you what you can't do.

How will you prove them wrong?

For over 30 years, POET has been Never Satisfied with the status quo. We're producing bioproducts, biofuels, and nutrient-rich proteins that make our air cleaner, our country safer, and our future brighter. We're always looking for new ways to change the world.

POET Never Satisfied Scholarships are open to students enrolled in any two- or four-year post-secondary school, regardless of major or GPA. Never Satisfied Scholars receive up to \$5,000 each, and will have the opportunity to receive a hands-on networking and learning experience with the POET team.
