Directions for Completing Course Selection Form

1. Select courses for the 2021-2022 school year by placing a check mark beside the corresponding course. You should have no more than eight (8) check marks on your course selection form. **Choose wisely as schedule changes will be made only in the case of an error in keying in selections or you have been placed in a course that you have previously passed.**
2. Courses followed by A/B are double bell and two credit courses. Both parts must be selected.
3. Select three (3) alternate courses **by placing the numbers 1, 2, and 3** beside the corresponding course in the order desired in the event there is a scheduling conflict with one or more of your eight (8) main selections. Choose wisely. **DO NOT PLACE CHECK MARKS BESIDE THE ALTERNATE COURSES.**
4. **VERY IMPORTANT:** If you do not select alternates and there is a scheduling conflict, your counselor will choose your alternate courses. **If your alternate courses do not fit into your schedule, your counselor may have to choose other courses for you.**
