Please consult the 2018-2019 Course Registration Handbook for prerequisites and other course information before choosing classes.

Registration will be online from February 7 -February 16. Students are responsible for registration. The Guidance Office will be open all day on Wednesday, February 14 for any students wishing to use that time to register. Three alternative courses must also be selected.

Students will not be allowed to enroll in classes that they have not selected through the registration process unless extenuating circumstances exist and permission is granted by the high school principal.
