

COURSES FOR COLLEGE CREDIT

The following courses offer post-secondary (college) credit. There are several options:

1. ADVANCED PLACEMENT (AP)

Specific outcomes are taught in these courses and a test is given in the spring. A student who passes the test may receive college credit or advanced placement consideration in college.

2. COLLEGE IN SCHOOLS (CIS)

Students are enrolled at the University of Minnesota, Central Lakes College, Anoka Ramsey Community College or St. Cloud Technical and Community College and earn credits upon the successful completion of the class. Courses are offered at Monticello High School and taught by MHS Teachers.

3. ARTICULATION

College credit is earned if the student attends that specific school **listed in the MHS Course Catalog** and has successfully completed the classes with the grade requirement.

AP Courses

Calculus AB	Advanced Physics/Engineering	Government & Politics
Calculus BC	Biology	Statistics

CIS Courses

CIS Course Name	College Course Name and ID	College Name	Credits
