Already have an account? [Sign in](#)

The following screen appears. Complete with the registration code provided to you. Registration codes are case sensitive. Click **register**.

If you have had push notification set-up you will be asked to confirm your push notification. If not you are ready to register another student.

Push notifications already in active screen:

You can click add student to register another child. Once you are done adding students, you have completed the registration process.

You may click on the student name box under my students to access his/her records.

Jane Doe
Gr 2

You can set-up or edit push notifications at any time under the push notification section. Push notifications can be delivered to the phone or email daily or weekly. They may also be temporarily disabled.
