

Creating and Using Your FSA ID: An Overview

[Presenter Name] | [Presenter Date]

Topics Covered

- What is the FSA ID?
- Do my parents need an FSA ID?
- How do I create an FSA ID?
- Where can I use my FSA ID?
- What to Do
 - I Forgot My Username or Password
 - I'm Locked Out of My Account
- Where can I get more information?

What is the FSA ID?

- The FSA ID is a username and password used by students, parents, and borrowers to:
 - login to U.S. Department of Education websites
 - electronically sign documents
- You will use it:
 - Every year you apply for federal student aid at fafsa.gov
 - To receive a federal student loan
 - To perform important activities as a federal student loan borrower, such as choosing a repayment plan or applying for a deferment

Does my parent need an FSA ID?

- If you are a dependent student, then your parent will need an FSA ID in order to sign your FAFSA electronically
- Not sure if you're considered a dependent student for the FAFSA, go to [StudentAid.gov/dependency](https://studentaid.gov/dependency) to find out

IMPORTANT

- You and your parent must have different FSA IDs
- You must create your own FSA ID—it's your electronic signature and you need to own it
- Your parent must create his or her own FSA ID
- You and your parent should each use your own e-mail address when creating an FSA ID (you can't use/share the same e-mail address)

How do I create an FSA ID?

Getting Started

- Go to StudentAid.gov/fsaid
- Click the “Create an FSA ID Now” button

The screenshot shows the Federal Student Aid website. At the top, the logo reads "Federal Student Aid" with the tagline "An OFFICE of the U.S. DEPARTMENT of EDUCATION". To the right, it says "PROUD SPONSOR of the AMERICAN MIND®". A search bar is located in the top right corner. Below the header is a navigation bar with five dropdown menus: "Prepare for College", "Types of Aid", "Who Gets Aid", "FAFSA: Applying for Aid", and "How to Repay Your Loans". The main content area has a breadcrumb trail: "Home » FAFSA: Applying for Aid » Filling Out the FAFSA » The FSA ID". Below this is a section with a photo of a young woman and the text: "The FSA ID is your electronic passport to federal student aid online. If you're ready, you can [create an FSA ID now](#)." Further down, a paragraph explains that students, parents, and borrowers need an FSA ID to access U.S. Department of Education websites. A green button labeled "Create an FSA ID Now" is circled in red, with the text "If you want to create an FSA ID now, go for it!" above it and "If you'd like more information first, keep on reading..." below it. On the right side, there are "Quick Links" (Filling Out the FAFSA, Dependency Status, Leave Us Feedback) and a "Glossary" section with a link to "FSA ID". At the bottom left, there is a list of frequently asked questions about FSA IDs.

Create Your FSA ID (Username and password)

Create a New FSA ID

An FSA ID gives you access to Federal Student Aid's online systems and can serve as your legal signature.

Only create an FSA ID using your own personal information and for your own exclusive use. You are not authorized to create an FSA ID on behalf of someone else, including a family member. Misrepresentation of your identity to the federal government could result in criminal or civil penalties.

To create your own personal FSA ID, enter answers for the questions below and select CONTINUE.

Important: When you are done click the CANCEL button to clear your data, even if you did not finish creating your FSA ID. Just closing your browser window or going to another website may not be enough to prevent other people using this computer from seeing your information until the session expires.

The screenshot shows the 'Create An FSA ID' form. At the top, there are two tabs: 'Create An FSA ID' (selected) and 'Edit My FSA ID'. The form contains several input fields: 'E-mail', 'Confirm E-mail', 'Username *', 'Password *', and 'Confirm Password *'. To the right of the password fields, there are checkboxes for 'Numbers', 'Uppercase Letters', 'Lowercase Letters', 'Special Characters', and '8-30 Characters'. A red circle highlights a 'Show Text' checkbox. To the right of the form, there are links for 'Edit My FSA ID' and 'Frequently Asked Questions'. At the bottom right, there is a green 'CONTINUE' button. A green callout box with an arrow pointing to the 'Show Text' checkbox contains the text: 'You can select "Show Text" to see what you're typing'.

E-mail:

- Optional but **strongly** recommended
- Each FSA ID must have a **unique** e-mail address (you and your parent cannot use the same e-mail address)
- You must have access to this e-mail account

Username:

- Don't include personal info such as date of birth or name
- If you see a message "Username taken, create a different username" then someone has already used that username

Provide Personal Information

- Make sure your Social Security number, date of birth, and name match what's on your Social Security card
- You must have a Social Security number to create an FSA ID.

Personal Identification Information

To apply for an FSA ID, complete the information below and select CONTINUE.

I understand that I will be required to certify that the information that I provide to obtain an FSA ID is true and correct and that I am the individual who I claim to be. If I am not that person who I claim to be, I understand that I am not authorized to proceed and that I should exit this form now. If I provide false or misleading information, I understand that I may be fined, sent to prison for not more than five years, or both.

Link Your PIN (if you have one)

- If you applied for federal student aid before May 2015, then you most likely had a 4-digit PIN—the FSA ID replaces the PIN; you can link your PIN to your FSA ID on this screen
- If you can't remember your PIN, you can select “Forgot My PIN” and answer a challenge question or you can continue without linking your PIN
- If you didn't have a PIN, then you won't see this screen

Link Your PIN to Your FSA ID

Enter your Federal Student Aid PIN below and select VERIFY to link it to your FSA ID. If you do not remember your PIN, select Help for more details or use the Forgot My PIN link.

By linking your PIN to your FSA ID, you will be able to use your new FSA ID with all FSA systems immediately.

If you don't remember your PIN or the answer to your PIN challenge question, then select CONTINUE WITHOUT PIN. We will send your information to the Social Security Administration (SSA) for confirmation. This takes 1-3 days. You will receive an e-mail when the match is complete. You can sign and submit an original FAFSA with your new FSA ID right away. For access to most other FSA systems, you must wait for SSA confirmation.
