

# Creative Shadows

<i>Studio Habits of Mind</i> for Artmaking	4	3	2	
<b>Developing Craft:</b> Design	The materials and tools I used were chosen and applied with care	The materials and tools I used were chosen carefully	I put some thought (with teacher help) into the choosing of the materials/tools	
<b>Developing Craft:</b> Technique	I skillfully incorporated new techniques	I applied new techniques	I attempted new techniques	
<b>Envision:</b> Creativity	I was able to create an <b>extremely</b> interesting shadow composition out of several ideas	I was able to create an interesting shadow composition but stayed with one idea	I created one but I need to experiment more with shadows and brainstorm more ideas	
<b>WRITE:</b> How did this activity help you to understand shadows and light? What is one thing you have learned	<p>LINE VALUE TEXTURE SHAPE FORM SPACE COLOR BALANCE CONTRAST REPETITION EMPHASIS UNITY COMPOSITION</p>
