

**TOWN OF COLCHESTER POLICE DEPARTMENT
CRIMINAL IDENTIFICATION TECHNICIAN**

The Colchester Police Department is seeking a highly organized and detail-oriented professional to join its team. This individual will oversee all property and evidence operations within the Police Department, including collecting, documenting, preparing, preserving and examining physical evidence from crime scenes.

Excellent written and oral communication skills, ability to work with sensitive information and strict adherence to confidentiality. Ability to work with graphic material and effectively manage stress. Successful candidates should have good interpersonal skills and possess demonstrated knowledge of photography methods, forensic sciences and identifying probative evidence.

Requirements: Associates Degree in Criminal Justice, Digital Forensics or related field of study or equivalent professional experience. Successful applicants must be able to pass a criminal background investigation.

Hiring range is \$23.16 - \$26.41 per hour, depending on qualifications and experience, plus a competitive benefits package.

For consideration please submit application, cover letter, resume, and references to Chad Bouvier, Human Resources Director at: cbouvier@colchestervt.gov. The Town of Colchester is an Equal Opportunity Employer. For full job description and to apply online visit: <https://colchestervt.gov/321/Human-Resources> Application deadline 1/28/2022.
