

Critique Guidelines:

Keep your opinions about the art to yourself. You don't have to like a specific photograph to make meaningful comments about it. You may not want to hang this photograph in your living room; however, that doesn't mean it is devoid of qualities. Point to what works and what does not work in the photograph in regards to artistic and technical aspects and keep your personal taste in art private. (Briot, 2014)

Briot, Alain. "Vision 11: Critiquing photographs." *luminous-landscape*. The Luminous Landscape, 30 September, 2014. Web.

Words and Phrases Banned From Critique:

"This is good" "This is bad" "It is great" "I like it"
"I don't like it" "This is fantastic/awesome/etc."

Comments need to be specific. You will be assessed on the quality of your responses.
