

**2012-13 Coordinated Services Agreement  
Statewide Assistance Initiative Summary**

**Instructions:** This template is meant to provide a snapshot of the CSA programs and initiatives. Consider brevity in all responses and please keep the final document to a maximum of a front and back (2 page) document. <<These instructions can be removed in final document>>

**Initiative/Program Name** (Link to list in CSA, Appendix B):

**Program/Initiative Details**

1. Background (including federal or state mandates):
  - a. Describe purpose and relevant legislation
2. Description of services provided and/or statewide activities coordinated:
  - a. Activities?
  - b. OSPI/ESD partnership communications systems?
  - c. How are districts involved in participating in and informing this work?
  - d. Evidence of program/initiative impact? Key program successes?

**Partnership Details**

3. What is the nature of this OSPI/AESD partnership? (Check all that apply)
  - ☐ The program has a statewide scope in which specific or targeted program funds are provided to the ESD/s to support the program
  - ☐ The program or initiative has a regional scope in which specific program funds are provided to the ESD/s to support the program
  - ☐ Activities are supported through flow-through funds and/or mandated fee-driven services at the ESD level
  - ☐ The program or initiative is statewide in scope with financial support generally assumed within existing core activities within OSPI and the ESDs. It is independent of fund source.

If funding is provided from OSPI to ESDs...

- a. \$\_\_\_\_\_ annually/ESD
- b. How are funding amounts determined?
  - a. What things were considered when determining the funding formula?
  - b. What types of activities do the funds support?

4. Other relevant information?
