

WELCOME TO 5TH GRADE

Welcome 5th graders & Parents! We are looking forward to an exciting school year! We're going to learn new concepts, create exciting projects, and get to know new peers and staff members. We are here to help students develop a higher level of responsibility and maturity to help them prepare to transition to the 6th grade. We want to provide all students with a welcoming, fun, empowering environment full of learning. In 5th grade, students are expected to meet growth in Reading, Science, and Math. All students will take a Fall Growth Assessment, and a Mid Year Growth Assessment. These tests, and the SOL will show how well students perform during the school year. We are excited to take this journey with students. Not just academically, but also to instill values that they will use in their life journey. We are so thrilled to meet you soon! Until then, please do not hesitate to contact Cool Spring Elementary at 804-862-7015 if you have any questions or concerns about the upcoming year.
