

## SCHOOL POWERPOINT PROJECT

You will create a professional presentation about CSHS, which will be used to introduce the school to upcoming 9<sup>th</sup> graders and new students. This presentation should show the curriculum and activities available at CSHS. The presentation should be created using real pictures and information available on our school website. The goal of the presentation is to highlight CSHS and showcase what a great school this is for all students.

The presentation must have a *minimum* of 12 slides. The following items *must* be included in your presentation:

- ☐ School colors used for the slide background
- ☐ School name, complete address, phone, website.
- ☐ Information about the school; background information that would be important to potential students.
- ☐ Information about the school administrators and guidance department
- ☐ At least one graph displaying the student population for 2009-2010. Example: number of freshman, sophomore, junior, and seniors.
- ☐ Appropriate graphics to enhance the presentation. Real pictures are much better than clip art.
- ☐ Highlight academics, clubs, and sports.
- ☐ Add music
- ☐ Creative animation applied to all slides
- ☐ Transition applied to all slides.
- ☐ 12 slides minimum

### **Avoid the following when creating presentations:**

- ☐ Misspelled words; capitalization errors. Remember that all important words in a title are capitalized.
- ☐ Avoid too much text on the slide. Paragraphs of text are unacceptable. There is no need to write complete sentences--bullet the important information.
- ☐ Avoid too many graphics on a slide.

## CSHS PowerPoint Presentation

Use the follow presentation as a guideline to create a presentation for CSHS. Use accurate information and real pictures from our school website. Your presentation must contain 12 slides. You may decide on the clubs and sports that you will feature on your slides. Be creative with your background and slides. I want to see real pictures as opposed to clip art. Try to incorporate some animated graphics.

*\* Do not copy the information on these slides. (Use as a guide!)*

### Willow Canyon High School

Clubs and Activities  
Steven Yodice  
Senior Class President

1

### Sports Teams

- Boys
  - Football
  - Baseball
  - Basketball
  - Gymnastics
  - Tennis
  - Bowling
  - Track
- Girls
  - Softball
  - Gymnastics
  - Soccer
  - Volleyball
  - Swimming
  - Tennis
  - Track

3

### Administration

- Ms. Janice Thompson, Principal
- Mr. Frank Linn, Assistant Principal
- Ms. Barbara Gross, Assistant Principal
- Mr. Bob Herbert, Student Activity Advisor
