

CALVERT COUNTY PUBLIC SCHOOLS
2021 High School Summer School Program

INSTRUCTIONAL PROGRAMS

Calvert County Public Schools (CCPS) offers high school courses during the summer that are delivered in either an online, blended, or in a traditional setting.

ONLINE COURSES – (original and review credit) – CCPS offers online Financial Literacy, Foundations of Technology, Health, Music Appreciation, Spanish I, and Spanish II. Students are required to attend a synchronous orientation meeting utilizing Microsoft Teams on the first day of the course. Some courses may require students to meet with the instructor up to three additional times during the summer term. Students who request to take an online course must complete the Online Learning Interest Survey. For more information about online summer school courses and to complete the Online Learning Interest Survey, visit <https://www.calvertnet.k12.md.us/summerschool>

BLENDED REVIEW COURSES – Blended courses are offered to students who did not successfully complete a course in which they had been enrolled during the regular school year. These courses utilize a blend of online learning and face-to-face instruction. The online portion of the course uses locally approved programs of study that offer diagnostic assessments to determine students' areas of weakness and provide targeted instruction.

TRADITIONAL REVIEW COURSES – These courses are offered to students who did not successfully complete a course in which they had been enrolled during the regular school year. Certified teachers provide targeted instruction related to students' specific learning deficits.

ADMISSIONS POLICY – These courses are available only to students who were enrolled in a high school course during the 2020-2021 school year. Public and private school students may attend CCPS summer school.
