I understand the payment plan that has been reviewed with me and understand my financial responsibility. I understand that Carver does not send out monthly reminders and that I can be terminated from the program, or will not receive my certificate if I neglect my financial responsibility. It is my responsibility to check with the financial aid office to make sure I am on track financially. I understand that if I receive aid, the above may be a guesstimated amount and I could be responsible for owing more than the amount above.
