## Class Schedule for September and October

The dates listed below are the dates on which your article and summary are due. Your article should be school appropriate and focused on a current issue or topic. Feel free to use articles from a variety of sources - local newspapers, national newspapers, magazines or Internet news sites. Please read your article carefully, complete the report sheet and be prepared to present your news article to the class. Remember to write in complete, detailed sentences and attach the article to your summary.
