

CURRICULUM DEVELOPMENT

BASIC AND SPECIAL INSTRUCTIONAL PROGRAMS

The Millwood Public School District's curriculum design shall meet or exceed the standards for accreditation as set forth by the Oklahoma State Department of Education and the North Central Association for Colleges and Schools. The district shall provide formal studies to meet the general academic needs of all students and, to the extent possible, opportunities for individual students to develop specific talents and interests in more specialized fields.

The general academic areas of English or language, writing, reading, mathematics, science, and social studies shall be provided at the elementary level (PK-5), middle level (6-8) and high (9-12) schools. The pre-kindergarten through twelfth grade curriculum shall be interdisciplinary as well as sequential in scope and sequence to provide continuity in teaching and learning.

Special programs for enrichment shall be provided as local and state revenues are available to fund such programs. Special programs may include but is not limited to physical education, fine arts, practical arts, and foreign language.
