

Curriculum Map: 6th Grade Local and Pennsylvania History

Course: SOCIAL STUDIES 6 Sub-topic: General

Grade(s): 6

Course

Description: Students will build upon their knowledge of social studies from elementary school. We will focus on local and state place, from settlement to modern day. Additionally, we will explore Pennsylvania History through the lens of the 5 Themes of Geography - location, place, human-environment interactions, movement, & region. We will examine local and state governments, along with economics. Students examine civic responsibilities through the study of the history and treatment of the United States flag.
