CORNWALL NEWSLETTER

"WHERE KIDS COME FIRST!"

PRINCIPAL'S CORNER

As the time between February and April approaches, we will be looking ahead to several months of instructional time segueing into the Pennsylvania System of School Assessment (PSSA) for grades 3 – 5. This year students will be taking the PSSA exams online. During this time, tremendous academic growth occurs as students are through half a school year of instruction. One of the most rewarding aspects of being an educator is witnessing the understanding that occurs, and watching the “AHA” and “light bulb” moments.

During quarter three, Mr. Sobol, our technology teacher is back with us. Instead of your child being on a four-day schedule, they are on a five-day schedule. We welcome Mr. Sobol back warmly. Also, during this quarter our Kids Heart Challenge is underway. Your child should have received information regarding Kids Heart Challenge about opportunities to raise money and earn prizes. If you have any questions about Kids Heart Challenge please reach out to Mr. Szajda.

As weather conditions fluctuate, please be aware of your child’s clothing on a daily basis and take precautions with warm attire when needed. Furthermore, please make necessary child care arrangements to prepare for school delays and closings due to weather.

I want to thank you on behalf of the staff at Cornwall for your continued support as we work with your children. This community is an inspiration for all of us and the purpose behind “why we do what we do.”

Sincerely,

Nathanial A. Artz, Principal

SCHOOL NURSE NOTES

HELP WANTED

Please note that the Cornwall-Lebanon School District is in need of Certified School Nurses and/or nursing substitutes for school offices and for field trips. Applicants must have an active nursing license, either a RN or LPN and Basic Life Support Provider Card. If you have a nursing degree and have the qualifications/clearances, you should contact the district office at 717-272-2031 or apply on the district website.

*February is
Dental Health
Month*

Lifelong habits begin at home. Make dental health part of your daily routine and share these reminders with whole family:

- Brush your teeth twice a day with fluoride toothpaste, especially after breakfast and before bedtime. Drinking water after eating also helps to clear your teeth of food particles
- Floss every day. An adult should help children under the age of eight to floss. Older children should be ready to floss on their own.
- Limit the number of times you eat snacks, especially the sticky ones and long lasting ones.
- Visit a dentist regularly for a routine checkup and a cleaning
- Protect your teeth by wearing a mouth guard when playing sports.
- Do not forget to change your toothbrush regularly, and after an illness.
- Sweet snack facts:

Eating many snacks with sugar may cause cavities. Every time you eat sugar, plaque in your mouth mixes with the sugar make acid. The acid hurts the teeth and causes decay over time. This can be painful.

Dr. Yocum will be doing school physicals on February 10th for students who parents requested for their kindergarten/new students. Dr. Kaila Arnold will be doing dental exams on February 4th for students in kindergarten, new students and 3rd grade who parents requested school dental examinations.

Please contact me if you have any medical concerns related to your child. Please be sure to keep your e-mail address up to date in skyward as well as your primary phone number.
