LATEST FLORIDA TREND

Age is irrelevant.
Ask me how many trips I've taken,
sunsets I've seen, laughs I've
shared, concerts I've been to,
bedtime stories I've read,
and people I've loved.
That's how old I am.

NOTICE TO ALL STUDENTS

Leave the excuses at the door.

If you didn't do your home work, just admit it.

If you didn't understand the assignment, ask for help.

If you didn't study for the test,
accept the grade and resolve to do better
(with my help if necessary) next time.

If you refuse to follow my rules, accept the consequences.

This is not a democracy.

This is MY classroom:
and I'm here for one reason and one reason only:

**TO TEACH YOU
TO INSPIRE YOU
TO HELP YOU GROW**

I'll do my part. The rest is up to you.

Reality Check

1. You WILL NOT be rewarded for bad behavior.
2. Being told "No" is a part of life. GET OVER IT.
3. You are free to make your choice, you ARE NOT free of the consequences.
4. Life IS NOT fair.
5. You are not the boss.
6. The world does not revolve around you.
7. Respect is EARNED, it IS NOT just given.
8. The world owes you NOTHING. Work for it.
9. Fits and Tantrums will get you NOTHING. Stop wasting your time.
10. You put yourself here. You need to fix You.
11. SHUT your mouth, open your ears.

It's friday.
Be fierce.

10 THINGS THAT REQUIRE ZERO TALENT

- 1) BEING ON TIME
- 2) WORK ETHIC
- 3) EFFORT
- 4) ENERGY
- 5) BODY LANGUAGE
- 6) PASSION
- 7) DOING EXTRA
- 8) BEING PREPARED
- 9) BEING COACHABLE
- 10) ATTITUDE

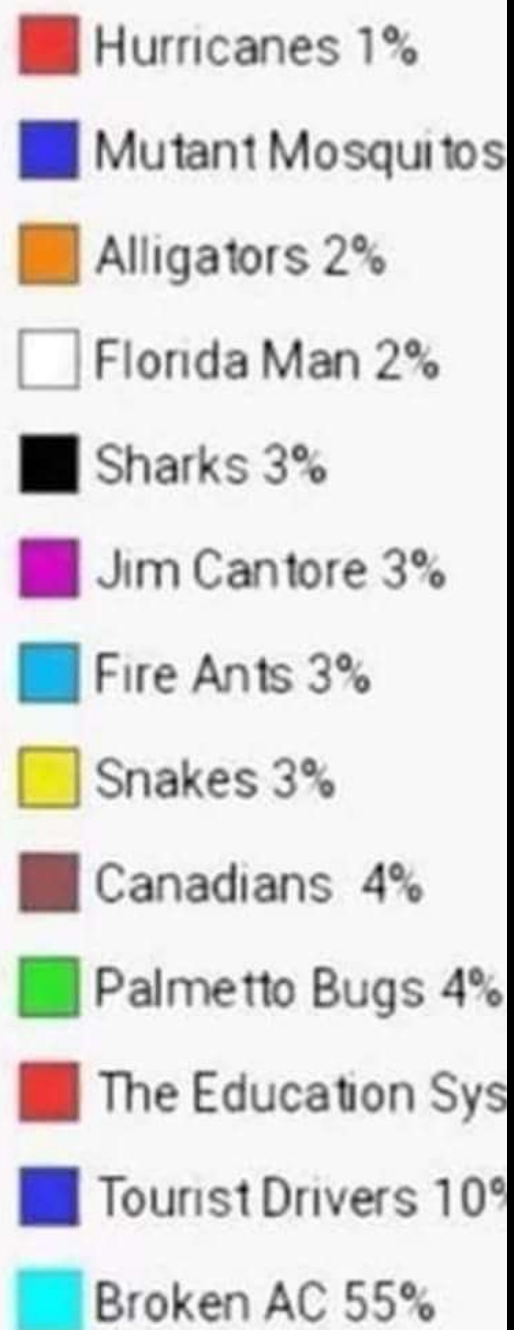

Your career is what
you're *paid* for,
Your calling is what
you're *made* for.

This is about the two choices life gives every person; either you sit, sulk and dwell on how unfair life is to you, or you could try and figure out how to make the bad situation work in your favor.

Rest Your Mind

I know you have been laying awake at night wondering why baby diapers have brand names such as "Luvs", "Huggies," and "Pampers", while undergarments for old people are called "Depends".

Well here is the low down on the whole thing.

When babies crap in their pants, people are still gonna Luv'em, Hug'em and Pamper' em. When old people crap in their pants, it "Depends" on who's in the will!

Glad I got that straightened out so you can rest your mind.

If I ever use "there"
instead of "their" and
"your" instead of
"you're" in the
same post, I've been
kidnapped and am

Don't wash your hair in the shower

IT INVOLVES THE SHAMPOO WHEN IT RUNS
DOWN YOUR
BODY WHEN YOU SHOWER WITH IT A
WARNING TO US ALL!!!

I don't know WHY I didn't figure this out sooner!
I use shampoo in the shower! When I wash my
hair,
the shampoo runs down my whole body, and
printed
very clearly on the shampoo label is this
warning,
"FOR EXTRA BODY AND VOLUME."

No wonder I have been gaining weight!
Well, I got rid of that shampoo and I am going to
start showering with Dawn dishwashing soap
instead. Its label reads,
"DISSOLVES FAT THAT IS OTHERWISE
DIFFICULT TO REMOVE."

Problem solved!
If I don't answer the phone I'll be in the shower!!!

Life is too short to wake up in the

people who treat you right, forgive

everything happens for a reason.

During a visit to the mental asylum, I asked the director how do

You determine whether or not a patient should be institutionalized.

"Well," said the director, "we fill up a bathtub, then we offer a teaspoon, a teacup and a bucket to the patient and ask him or her to empty the bathtub..."

"Oh, I understand," I said. "A normal person would use the bucket because it's bigger than the spoon or the teacup."

You are holding a cup of coffee when someone comes along and bumps into you, making you spill your coffee everywhere. Why did you spill the coffee? You spilled the coffee because there was coffee in your cup. Had there been tea in the cup, you would have spilled tea. The point is whatever is inside the cup, is what will spill out. Therefore, when life comes along and shakes you (which will happen), whatever is inside you will come out. It's easy to fake it, until you get rattled. So, we have to ask ourselves, "What's in my cup?" When life gets tough, what spills out? Joy, gratefulness, peace and humility? Or does anger, bitterness, harsh words and reactions come out? You choose! Today let's work towards filling our cups with gratitude, forgiveness, joy, words of affirmation, kindness, gentleness and love for others.

It's scary to think that one day we're going to have to live without our mother or father or brother or husband or wife. Appreciate your loved ones while you can, because none of us are going to be here forever.

Addiction isn't about alcohol and drugs.

It's the absence of self. This absence is described as a hole in your soul. You can't love others when you're empty inside. Recovery peels back the painful layers and heals that hole through connection, honesty and hard work. To love one self is the beginning of a lifetime recovery.

The best day of your life is
still yet to come.

There are still people you
haven't met, and things you
haven't experienced.

YOU CAN DO THIS.

not that!

I JUST LAUGHED...I KNEW THE

A person is standing in a grassy field, looking towards the camera. The image is slightly blurred. A large, faint watermark logo is visible in the background, centered behind the text. The logo consists of a circular emblem with a crown on top and the words "Cute n' Country" written in a cursive font below it.

It's that simple. You either
take what has been

to make you a better person,
or you allow it to
tear you down.

IMAGINE THIS:

If you had \$86,400 in your account and someone stole \$10 from you, would you be upset and throw all of the remaining \$86,390 away in hopes of getting back at the person who took your \$10?

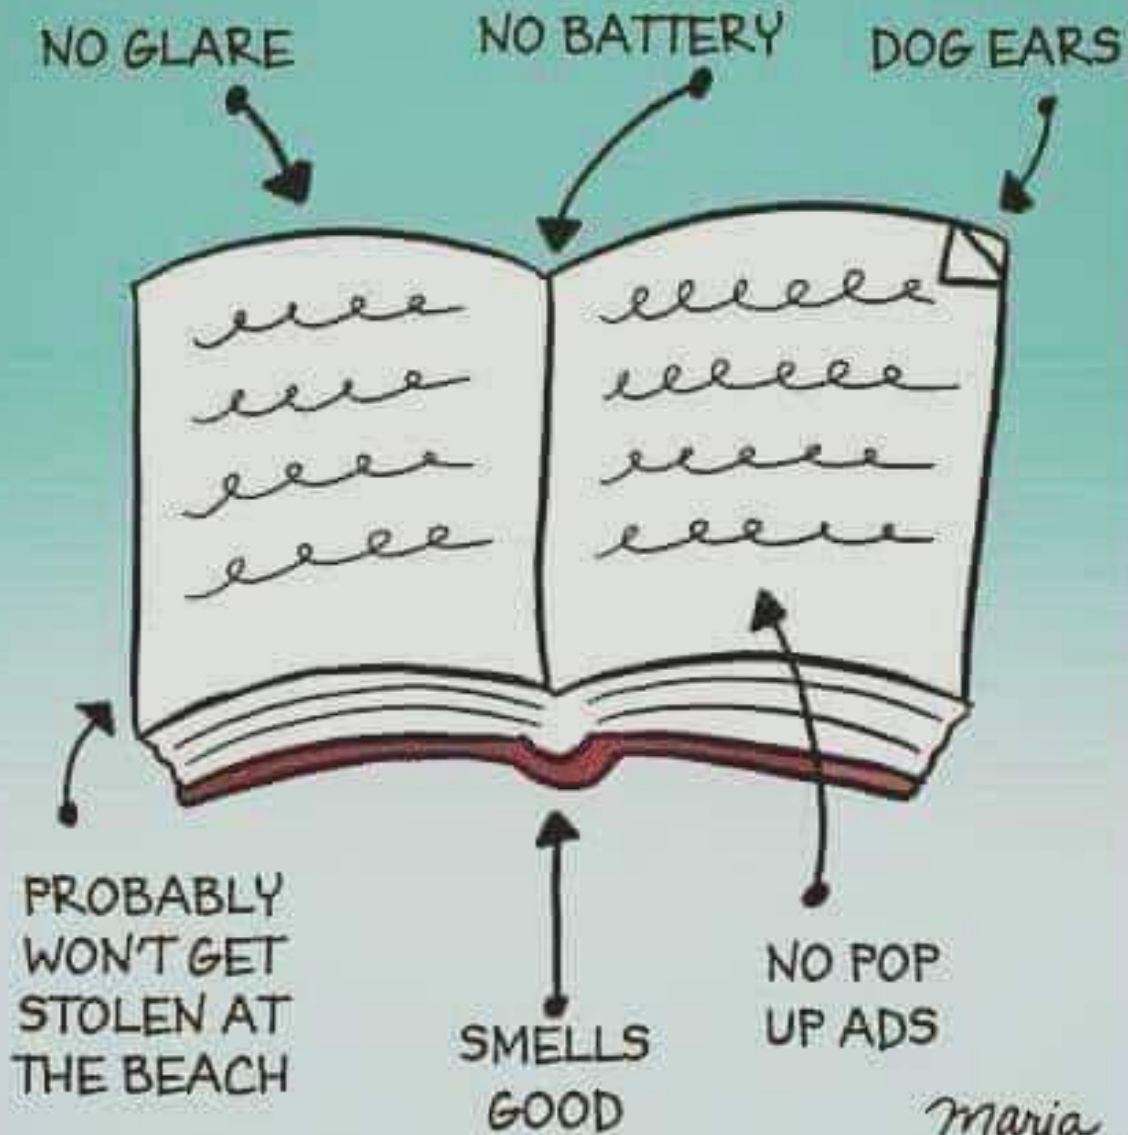

Or move on and live? Right, move on and live. See, we have 86,400 second each day. Don't let someone's negative 10 seconds ruin the remaining 86,390.

Don't sweat the small stuff,
life is bigger than that.

Every time we turn our heads
the other way when we see the
law flouted, when we tolerate
what we know to be wrong,
when we close our eyes and ears

we strike a blow against freedom,
decency and justice.

it's almost, sorta, kind of,
close to, just, about,
nearly the weekend...
wohoo!

Being rude
is easy.
It does not
take any effort
and is a sign
of weakness
and insecurity.
Kindness shows
great self-discipline
and strong self-esteem.
Being kind is not always easy
when dealing with rude people.
Kindness is a sign of a person
who has done a lot of personal work
and has come to a great
self-understanding and wisdom.
Choose to be kind over being right,
and you'll be right every time because
kindness is a sign of **STRENGTH.**
