

**PROFESSIONAL  
ENGINEERS  
OF OREGON  
CENTRAL OREGON CHAPTER**

March 20, 2018, Revision to March 9, 2018

**Subject: DATE CHANGE  
2018 High School Engineering Career Fair Invitation  
Professional Engineers of Oregon – Central Oregon Chapter**

Dear School-to-Career Counselor:

On **MONDAY, April 9, 2018**, the Professional Engineers of Oregon (PEO), Central Oregon Chapter, will host and present its annual Career Fair for local high school students who may be interested in an engineering career. PEO will have engineers representing many disciplines give a brief description of their profession and will be available to answer questions. The event will run from 10:30 am to 2:00 pm, and will be held in the Bend Parks and Recreation Administration Building, 799 SW Columbia St, Bend, OR 97702. Comfortable seating capacity is 50.

This free event is the perfect opportunity for students to learn more about an engineering career, what engineers actually do, current projects, the college experience and the high level of ethics that engineers abide by. I am still working on our agenda of speakers, and will distribute it in advance of the event. Please encourage students that you feel would benefit to attend this event. Please provide an approximate attendance count and respond to me by April 6<sup>th</sup>, via phone or email so we can plan the luncheon accordingly. The lunch is free for all attendees and guest speakers. Please arrive between 10:00 and 10:15 so we can start on time. We will also allow a few minutes for questions between speakers.

Pre-registration is encouraged, but drop-ins are welcome. To register, or if there are any questions, please contact me at Century West Engineering at (541) 322-8962, or respond to the email address below.

Please accept my apologies for changing the date and alert your students, etc.

Sincerely,

A handwritten signature in black ink, reading "Tom Headley".

Tom Headley, PE, CWRE
