PBIS

Happy May Day! With the end of the school year quickly approaching, we are looking forward to some fun field trips with our students! These are great learning experiences for us all. We will be spending the month of May focusing on field trip expectations. Teachers will review all expectations with our students. However, staff will be purposefully looking for students who are being RESPECTFUL at their field trip. If your child is spotted consistently being RESPECTFUL, they could be nominated for our student of the month. If you would like to join us at our assembly to kick off May, we will be holding it Monday, May 6, at 8:35 am in the school gymnasium.
