

Day 4B: The Power of Cropping

"For this assignment I want you to take 10 photos of anything you want and CROP them!"

In this exercise you will learn about the power of cropping and how it can really make an image go from blah to amazing.

Watch this Instructional Video: [Image Cropping Tutorial](#)

Choose your best five before and afters, and create a collage. **Look at the example below.** Make sure to go beyond cropping, and take the time to edit your pictures for color and exposure. Use what you learned from the Snapseed videos to do your editing!

Turn in your collage here for a grade: Day 4B: The Power of Cropping [IMAGE UPLOAD](#)
