SUN RIVER VALLEY SCHOOL DISTRICT NEWSLETTER

~ From the Desk of the Superintendent ~

Thank you Sun River Valley students and parents for your patience as we navigate the COVID-19 Pandemic during the 2020-2021 school year. The diligence of our staff and students has kept our school open up to this point.

I appreciate the effort our parents and guardians provide—helping with the remote day on the 19th, and also providing arrangements for your children to continue learning when having to go online due to quarantine. It is definitely a difficult time for all of us.

As we move forward to 2021, rest assured that we will do everything we can to finish strong.

Happy Holidays.

Sincerely,

David P. Marzolf

Greetings Tiger Fans!

How is it possible, during the L-O-N-G-E-S-T year ever on planet Earth, that we suddenly find ourselves in the twilight of 2020? Although this fall hasn't been exactly "normal," our school staff, coaches, and kids have persevered and had very successful seasons! First of all, congratulations to Coach Taylor Thompson and Coach Jessica Harrison on taking the SHS Girls Volleyball team all the way to the State tournament! The girls team did a fantastic job and played so well during the Divisional tournament!

Secondly, congratulations to Coach Fredrickson and Coach Rains for leading the SHS Boys Football team all the way to the playoffs! Even though things didn't go their way in Thompson Falls, the boys team had an incredible season and were so fun to watch! I'm so proud of both teams.

Speech and Drama with Mrs. Sarah Davidson is well on its way! I wish them the best of luck, and I'm sure they will do us all proud!

This school year, I feel like I've been holding my breath whenever we have a "Governor Press Conference," just waiting to see what the new restrictions might be. I feel as though I dare not plan too far ahead in case plans change. But, that being said, I have a tentative plan for December. I will draw two names out of the Middle School and High School each week, and those kids will receive a Christmas stocking full of sugar and small gifts, and maybe a gift card! Hopefully, we will still be able to have an Ugly Christmas Sweater Day for the kids and staff, complete with lots of prizes! I will post the date on my Facebook page in the next couple of weeks or so.

When I reflect on this year thus far, what strikes me most are the things that we took for granted. I never in a million years would have thought that I would be praying that my kids would be able to go to school and be with their friends. I never imagined I would tear up just watching our football team charge onto the field under the lights on a Friday night, knowing that THIS could have been taken away from them too. I never thought that I would feel such gratitude for our crazy, obnoxious cheering section while they shouted their encouragements to the girls volleyball team, and then shouted their song requests to Mr. McKinley. So many kids across the country were denied these memories. They only have a short window to compete in high school sports. They will only have one shot at having a last home game. A championship game. A Senior Night with a gym full of their hometown fans, all on their feet cheering for the kids that they have loved and watched grow up right before their eyes. So, as Thanksgiving approaches, I'm filled with gratitude that our kids have had a chance to make these memories... I hope they realize what a gift it is.

I hope that everyone has a safe and happy Holiday Season! If you have any questions about Booster Club, or would like to help out, just let me know!

~ A Message from the Fort Shaw Elementary Principal ~

Hello Fort Shaw Elementary Families,

I cannot believe the Holiday Season is already upon us! As I write this, I am thinking of all of the things I have to be thankful for at this time. Keeping our school open is at the very top of the list, although I am thankful for this I know it is not because of sheer chance and good luck. Our families have been so diligent in keeping their children home when they are sick or have had a possible exposure. They have worked with us through isolation periods and preventative quarantines, most at a moment's notice.

Our teachers, paraprofessionals, and service providers have flipped the way they instruct, teach small groups, and interact with students to meet individual needs. They have made packets, learned to create instructional videos, made phone calls and Zoom/Google meets. Their dedication to providing the best possible instruction is truly something we as a community should be thankful for.

Our kitchen staff has continually modified how they serve students and meet community needs, and our custodial staff works around the clock to keep our schools sanitized and safe. Our bus drivers, who always amaze me, not only drive buses but now they hand out masks if students need them... and then many of them show up in the school to help as substitutes and custodial staff!

I'm so grateful for our office staff, they communicate with families non-stop, support a variety of student and family needs, and support our staff in a myriad of ways. We would be lost without their support. Our substitute teachers have made an enormous impact on our ability to stay open; they often come in at a moments notice and fill a variety of vacancies throughout the day, all while implementing lesson plans so the learning does not stop!

For myself, I'm thankful for my administrative partners who provide mentoring and assistance as we learn to navigate the pandemic. And finally, I'm grateful for our students who have demonstrated resilience and hope; they wear their masks without complaint, learn at home through quarantine and isolation, eat lunch six feet from their friends, and the list goes on. Their courage and positivity keep us going throughout the difficult days.

As you celebrate the Holiday Season, I would encourage all of you to take some time and list the things you are thankful for...it really does help.

Happy Holidays
