Superintendent

## WASHAKIE COUNTY SCHOOL DISTRICT #2

Robert Griffin  
Principal

December 2022 / January 2023

### Principal's Corner

#### 15 Day Challenge

This is a focus approach to classroom instruction in which teachers, for essentially a 3 week period, intensively examine their instruction practice and focus on student learning. Teachers will use data driven instruction to ensure all students learn the essential standard the teacher selected for the 15 day challenge. Teachers are partnering with administrators to work through this process and discuss instructional strategies.

#### Veterans Day

We honored our service members at our annual Veterans Day Ceremony this year. We had twelve veterans attend the ceremony. Afterwards our FFA students and our staff fed the veterans and their families lunch. As usual Mrs. Whitlock's band and choir exceeded expectations and the veterans were proud of our students and staff.

#### FFA

We had 16 students, 7th -12th grade attend our Winter FFA leadership conference in Casper Friday and Saturday. Our students were divided into groups according to their grades. They met over 800 students across the state as they learned about leadership in themselves and our communities. The highlight for our students was hearing from Gian Paul Gonzolas, the Chaplin for the New York Giants who has had the opportunity to motivate many, from Super Bowl Champions and Forbes 500 Corporations to neighborhood High Schools and Churches. We were

beyond thrilled to hear from him. Sixteen FFA members had their lives changed and each took a part of his message to bring back to our school.

Gian Paul's Hope & Future Foundation provides opportunities for youth to proactively become empowered members of their community through extracurricular activities, events and programming to provide health, and wellness while bridging the gaps between individual growth, improving families, and unifying communities around a common core belief that there is a hope for each child personally, academically, socially, and economically while creating numerous mechanisms to achieve in the present and in the future.

**"Put something on your head for Ted"** has been a meaningful fundraiser that the FFA has led. Our school has showered Ted with their support as nearly everyone in our school, and many community members line up to drop their dollar in the bucket for Ted. We have with the help of gracious community members been able to set up funds to help Mr. Ted with his travel expenses for chemotherapy.

**Ten Sleep CTE Cutting Edge Grant:** Both Mrs. Forshee and Mr. Thoren would like to say a huge thank you to our administration, as well as all of those working behind the scenes so that we could once again become a Perkins V district again. Not only does becoming a Perkins district open up yearly

funding for our programs, but it also opens the door to grant opportunities like the one we were awarded. The purpose of the Perkins Cutting Edge Grant Program is to identify evidence-based and innovative strategies and activities to promote the development, implementation and adoption of Career and Technical (CTE) programs regarding emerging technology. This year there was an overwhelming response to the Cutting Edge Grant Application receiving 46 secondary applications requesting an upwards of \$946,00.00 allowing WDE to fund the top 15 scores.

We scored in the top 15 and were awarded our full amount which went towards equipment for our CNC Router, a Vinyl cutter, and more with the intent of our students gaining access to real world machines and technology to prepare them for the workforce. Along these lines we also plan to utilize some of this equipment to produce projects for Bigs and Littles Activities, and start a "business" making signs and projects for the general public as well as the school district. Walker Cooper for example has already designed and is in the process of building a snowboard and ski rack for the ski club, as well as the TS, and burning of the classes numbers during Homecoming Week. Our projects class is also in the process of making benches to go in the new warming hut recently

(continued on page 3)

## Love and Logic

Over the years, customers sometimes call seeking advice on why their efforts using Love and Logic has not worked with their kids. Based on what these customers tell us, we learned that there are several obstacles that can thwart the Love and Logic goal of raising responsible, respectful kids who make good decisions. Here are four obstacles that we have seen in the past.

### **How the Parent Communicates with the Child.**

This is the most common reason that Love and Techniques appear not to work. The right words might be used by the parent with the best intentions, but nonverbal cues communicate anger and frustration to the child, and these cues speak louder than words. The power of these nonverbal cues cannot be underestimated—they will completely undermine the intended message. Empathy must always be delivered first, with sincerity, and without any hint of anger or frustration.

### **Warnings and Lectures.**

When adults use too many words and resort to lecturing and issuing warnings, they cause the child to shut down and stop paying attention to the message. Using fewer words and enforceable statements, delivered with empathy, is much more effective than a long lecture or issuing unenforceable warnings.

### **Selecting the Right Technique.**

Love and Logic's suite of techniques are intended to be used for specific circumstances. Understanding how and when to use these techniques appro-

priately is key to success with Love and Logic. Sometimes uncertainty stems from a parent trying only a few techniques from our suite of products, instead of thoroughly understanding Love and Logic principles and how the techniques are to be used. We strongly urge parents to attend the classes for Parenting the Love and Logic Way curriculum from one of our Independent Facilitators, so they can learn how to use Love and Logic properly.

### **Going to Fast.**

Many parents new to Love and Logic are eager to apply as many of the techniques as possible—as quickly as possible. This can often backfire for two reasons—the techniques are not learned properly, and kids become overwhelmed and confused. It is best to go slow, apply one or two techniques at a time and focus in behavior at a time—preferably easier problems first.

Many of our past customers have succeeded in Love and Logic and tell us how their kids grew up to be responsible, respectful and successful adults. Love and Logic works when it is properly used. Avoiding these obstacles can help ensure your success.

Reprinted from Love and Logic, Insider's Club.

## Nurse's Corner

Winter is a wonderful time of year! Many of our students are looking forward to skiing, snowboarding, sledding, swimming, basketball, wrestling, indoor track, karate and other fun activities. Staying active during the winter months is one way to help kids be healthy. Eating a balanced diet will also boost their immune system to help fight off illness during the cold and flu season. Here are a few vitamin and nutrient rich foods you may try to incorporate into your child's diet this winter.

**Beef**—it contains zinc, which is vital in the production of the white blood cells your child uses to destroy bacteria.

**Fruits** that contain vitamin C—oranges, pomegranates, strawberries, and raspberries all contain a good amount of this vital vitamin.

**Garlic**—it contains allicin, a compound that fights bacteria and infection.

**Yogurt** that contains probiotics—probiotics keep the digestive system free from disease-causing germs.

**Water**—Water carries nutrients to cells and sweeps out toxins from the body. Make sure you and your family stay hydrated by drinking water each day.

Try to avoid or limit foods and snacks high in sugar. Studies have shown that increased sugar consumption depresses the immune system and causes systemic inflammation. I hope everyone has a healthy and happy winter season! This information was obtained from an article by Kids Country Learning Centers. For more tips and information from this article visit <https://kidscountryinc.com/2016/04/19/8-tips-keeping-kids-healthy-winter/>

## Principal-continued

purchased by parks and rec. If you have any questions or would like to see what our new machinery is capable of doing please contact Mr. Thoren and we would love to showcase/discuss what we have going on.

We were also able to utilize this grant by "double dipping" where we partnered with Fremont County School District #24 to share a brand new CO2 laser engraver. While we currently have the ability to laser engrave very small materials with some of our current equipment, this new machine steps our game up to where we can mass produce products as fundraisers or donation opportunities in our community. Be sure to keep an eye out for projects coming from our building.

Long story short, there are incredible things coming from our students, and we are trying to give them the best opportunity to succeed once they leave us and enter a career field.

### Knowledge Bowl

After some time of not having a team, Ten Sleep High School will be participating in the 42<sup>nd</sup> Annual Big Horn Basin Knowledge Bowl to be held at Burlington High School on Wednesday, December 7, 2022. We are one of 11 schools that have been invited to participate and we will have a team of 4 high school students who will go against the other teams from around the Basin, rotating rounds and going against different teams throughout the day. Students will answer questions in five different rounds including both oral and written questions. Mr. Anderson (7-12 mathematics) is excited to be sponsoring the team who will be representing the Pioneers in this fun, academic challenge!

### Student Council

Student Council for Middle and High School is under the direction of Mr. Anderson and Mrs. Wiechmann. As we wrap up Homecoming "season", the final results of float and hallway decorations have been tallied. These results will be presented at the next school assembly. For November, the student council is sponsoring the door decoration contest. Bigs along with their 'Littles' will be creating a festive door for all to enjoy. Prizes for 1st-3rd are to be awarded along with bragging rights and certificates. The "outstanding BIG" award is also worth fighting for! The Middle School student council is going to be painting some lines on the outside basketball court. They have created a plan and will be working with Mr. Anderson in math class to finalize the distances, etc.

### Fall Sports Banquet

We had our full sports banquet where each athlete was recognized and the event was well attended. Both our football and volleyball teams were recognized for their academic excellence. In addition both teams were recognized for their sportsmanship. Ian Turgeon was recognized as an individual for sportsmanship. Kinley Anderson was an all conference recipient.

### Secret Service

The elementary Ten Sleep Secret Service sponsored the Socktober event and with the help of the community, we were able to collect 451 pairs of socks. This is a tremendous amount (our goal was 250). So the students have counted

these (a little math problem) and will be actually mailing them off this week to hospitals. A huge thanks to the community for donating and being so generous to this cause. The students really enjoy this activity! December is on the horizon, and we are not sure yet what our December activity will be YET. But the students do sacrifice their recess for meetings, connection, and learning. Either in December or January, we will have another UNO tournament. The cold months welcome indoor activities, otherwise students are pretty excited about going outside for recess.

### Little Shoppers

December 2nd will be little shoppers at the United Methodist Church. This is a Big/Little activity where the bigs take their littles to shop for whomever the "littles" wish to "buy" gifts for. This is an ongoing community tradition where people donate to the cause and students are able to shop for others at affordable prices.

## Board Briefs

### BOARD OF TRUSTEES MEETING Monday, October 10, 2022

#### 1. MEETING OPENING

- A. Call to Order
- B. Pledge of Allegiance
- C. Roll Call: Board members Erin Blutt, Shana Harstad, Jared Lyman, Bill Murphy, and Marc Dykstra. Superintendent Annie Griffin and Administrative Assistant Neysha Lyman.
- D. Adopt Agenda: *Shana Harstad moved to adopt the amended the agenda with the change to WyTopp Student Data report moved to the November meeting. Seconded by Marc Dykstra. Motion carried 5-0.*

#### 2. REPORTS AND RECOGNITIONS

- A. The Pioneer Way ~ Mrs. Griffin recognized students who displayed the Pioneer Way.
- B. WyTOPP Student Data Report: *This report will be presented in November.*

#### 3. GUESTS AND PATRON COMMENTS

- A. Visitor Input at Board Meetings

#### 4. CONSENT AGENDA

- A. Business Manager Report-Mrs. Casteel
  - B. Superintendent Report-Mrs. Griffin
  - C. Principal's Report - Mr. Griffin
  - D. Technology Report - Mr. Whitlock
  - E. Approve Minutes of September 12, 2022 Meeting
  - F. Approve Minutes of September 26, 2022 Special Meeting
  - G. Authorization and Payment of Outstanding Bills
  - H. Approve Prepaid Bills
  - I. Night Depository Agreement
  - J. Approve Resignation of Paula Beck as Student Council Sponsor
  - K. Approve Student Council Sponsors Don Anderson and Chawna Wiechman for the remainder of the 2022-23 school year
  - L. Approve School Nurse - Colleen Holiday
- Bill Murphy moved to approve the consent agenda as presented. Seconded by Shana Harstad. Motion carried 5-0.*

#### 5. DISCUSSION/ACTION ITEMS

- A. Approve First Reading Policies 3.11, 3.12, 3.13, 3.14, 3.15, 3.16, 3.17, 3.18, 3.19, 3.20, 3.21, 3.22, 3.23, 3.24, 3.25, 3.26, 3.27, 3.28, 3.29, 3.30  
*Marc Dykstra moved to approve first reading of policies 3.11, 3.12, 3.13, 3.14, 3.15, 3.16, 3.17, 3.18, 3.19, 3.20, 3.21, 3.22, 3.23, 3.24, 3.25, 3.26, 3.27, 3.28, 3.29, 3.30. Seconded by Jared Lyman. Motion carried 5-0.*
- B. Approve Second Reading Policies 3.01, 3.02, 3.03, 3.04, 3.05, 3.06, 3.07, 3.08, 3.09, 3.10 and 5.21  
*Jared Lyman moved to approve on second reading policies 3.01, 3.02, 3.03, 3.04, 3.05, 3.06, 3.07, 3.08, 3.09, 3.10 and 5.21. Seconded by Shana Harstad. Motion carried 5-0.*
- C. Select WSBA Board Delegate to the WSBA State Convention  
*Marc Dykstra nominated Erin Blutt as WSBA Voting Delegate. Seconded by Bill Murphy. Motion carried 5-0.*
- D. Class of 2022 Funds  
*Jared Lyman moved to reallocate remaining funds from the Class of 2022 and previous years and distribute to the following four high school classes. Seconded by Marc Dykstra. Motion carried 5-0.*

#### 6. EXECUTIVE SESSION

- A. Personnel: *Bill Murphy moved to go into executive session at 7:16 p.m. for a personnel reason. Seconded by Shana Harstad. Motion carried 5-0. The board reconvened at 7:24 p.m. Jared Lyman moved to approve the minutes as read in executive session. Seconded by Shana Harstad. Motion carried 5-0.*  
*Jared Lyman moved to approve the initial application of Concealed Carry Applicant # 2210A. Seconded by Marc Dykstra. Motion carried 5-0.*

#### 8. ADJOURNMENT

- A. Adjourn the Meeting: Chairperson Erin Blutt adjourned the meeting at 7:25 p.m.

## Counselor's Corner

As the busy holiday season approaches, we are often asked, "what are you thankful for".... While that may seem like, hopefully, an easy question, I have actually witnessed students struggle with answering that. Research has found, that daily, finding things that we are grateful for, no matter how big or how small, is actually healthy for our being.

*In the past two decades, a growing body of evidence in the field of social science has found that gratitude has measurable benefits for just about every area of our lives. Gratitude appears to contribute substantially to individual well-being and physical health. So much so that the Greater Good Science Center at the University of California, Berkeley—a leader in research on the science of social and emotional well-being—describes gratitude as the "social glue" key to building and nurturing strong relationships.*

(<https://www.mindful.org/the-science-of-gratitude/#:~:text=Research%20shows%20gratitude%20isn't,in%20ourselves%20and%20our%20communities.&text=Gratitude%20offers%20a%20way,our%20lives%20what%20they%20are.>)

**Sources of Strength:** This is a new curriculum and peer leader program that Ten Sleep is working with. Currently, our peer leader team has created a "thankful turkey" to collect gratitude "feathers" from all students and staff. Students are encouraged daily, to add to the turkey. In the elementary, guidance lessons have been discussing the brain. Learning about what is going on in your brain, will help us to navigate life.

**Ten Sleep Task Force:** We meet monthly at the library. The first Tuesday of the month. Next

meeting: December 6, at 6:30. Dinner is provided. It is an open invite, come and go as you see fit. Recently we have had conversations around law enforcement presence in Ten Sleep and the potential of getting a crosswalk/blinking lights, etc. Our mission is to help our community with any needs that contribute to safe and healthy living for all.

**Foreign Exchange students:** In past years, we have had community members take in foreign exchange students. This has contributed to a rich experience for our own Ten Sleep students, as well as provide assistance to the visiting student. This is still a possibility. We are always looking for families to host a student. If you are interested in learning more, please contact Mrs. Wiechmann at the school.

**BIT: Building Intervention Team**

At school, we have what is called the BIT process. This is a group of staff members who are working with/for a student to help where there is a need. It could be to create accommodations to help the student be more successful or identifying interventions/solutions. This process is designed to work with the parent to help students. It is one step that starts, potentially other steps, in an effort to help students grow both academically and socially. This year, we have taken a different approach. We are really focusing on a team effort with the parent, to help students learn, not just "do the work". Doing, teaching, and learning are all different things.

This should be validated as a positive step to really "see" the student and collaborate on what will truly contribute and support the student to make progress forward.

## Library Corner

The Friends of the Ten Sleep Library will hold their annual Christmas Open House and Silent Auction on Monday December 5th from 5:30-7:30 pm. Bidding is now open during normal hours...many wonderful gifts and crafts are arriving every day. Join us for mouth-watering goodies and wassail on December 5th!

Meet award winning author Craig Johnson at the Ten Sleep Branch Library on Sunday December 11th. He will be reading another Walt Longmire Christmas Short story, "The Perfect A". Craig will also have his Longmire Store books and swag available for purchase. Refreshments will be served.

The Library will be closed December 23-26 and December 31-January 2. Remember there is no After the Bell program if there is no school.

The Staff (Karen, Carol, Veronica and Rhonda) at the Ten Sleep Library would like to wish all the students and teachers a happy holiday season!

## Hot Lunch

Student meals are \$2.50 for K-6, \$3.00 for 7-12 and an extra milk is \$.25. December costs for K-6 will be \$30.00, 7-12 will be \$36.00.

You may pay online at EZ School Apps, send money with your child or bring it in to the school office.

By state law, the school cannot extend credit. If you didn't receive an application for free and reduced lunches and would like one, please contact the school office.

## CTE-Mr. Thoren

Our school has been given an incredible opportunity to be one of the first districts in the state of Wyoming to receive a Mobile Makerspace from the University of Wyoming. This program is of no charge to the school district and is funded through the support of the WIP initiative. All of the mobile makerspaces come fully-stocked with the supplies you'll need to use the equipment and a robust library of workshops, teacher guides, and more. We are very fortunate and thankful that our students and community were picked to be one of the first to utilize this incredible innovation. Be sure to keep an eye out for projects that come out of the school as a result of this opportunity.

## FFA-Mrs. Forshee

Gian Paul has had the opportunity to motivate many, from Super Bowl Champions and Forbes 500 Corporations to neighborhood High Schools and Churches. We were beyond thrilled to hear from him. Sixteen FFA members had their lives changed and each took a part of his message to bring back to our school.

## CSO

Please attend home Varsity basketball games and try to catch a 3-point shirt. Shirts will be thrown during home games when a Pioneer makes a 3-point shot. Shirts are from Ten Sleep Student Council and Ten Sleep CSO. See you at the games.

CSO meetings are the first Monday of each month @ 6:30 Sleep Coyote.

Pictured below, our first graders with their thank you cards for our Veterans.

## Veteran's Day Program was Awesome!

The 8th grade lady Pioneers last home game was cancelled due to sickness on the Shoshoni team, so the coaches got a game going with their moms! Fun was had by all.

Pictured below our First Graders ready for Thanksgiving!

## Recycling Trailer Mural Concept Mock-Up

**Draw, color, and assemble** your ideas following the Washakie County Conservation District Design Guide. Return to Mrs. Mills or Ms. Weichmann by **Thursday, Dec 1.**

### WCCD Design Guide

- Highlight natural resources and scenery. Consider Wyoming and Ten Sleep as inspiration.
- Plan on a new decal going over the painting as indicated.
- Plan on spaces left free of paint for magnetic signage.
- No words, except perhaps specific location identifications if desired. Specific locations are not required to be labeled.
- Nothing political. WCCD is a non-partisan agency.

# Christmas

## LITTLE SHOPPERS

**SPONSORED BY THE UNITED METHODIST WOMEN**

**DECEMBER 2ND, 2022**

All students are invited to do their own Christmas shopping for their families. Please send money for your student and a list of who they are buying for.

Gifts will all be \$0.50.

We ask that all elementary students bring thier shopping list to school by Thursday. This will be a BIG/LITTLE Activity and after the elementary students have finished shopping the MS/HS Students can go back for their shopping.
